**Surrender** Bono,2025-12-31 A brilliant very funny very revealing autobiography through music Maybe the best book ever written about being a rockstar CAITLIN MORAN \_\_\_\_\_ Bono artist activist and the lead singer of Irish rock band U2 has written his autobiography honest and irreverent intimate and profound Surrender is the story of the remarkable life he s lived the challenges he s faced and the friends and family who have shaped and sustained him now out in paperback When I started to write this book I was hoping to draw in detail what I d previously only sketched in songs The people places and possibilities in my life Surrender is a word freighted with meaning

for me Growing up in Ireland in the seventies with my fists up musically speaking it was not a natural concept A word I only circled until I gathered my thoughts for the book I am still grappling with this most humbling of commands In the band in my marriage in my faith in my life as an activist Surrender is the story of one pilgrim s lack of progress With a fair amount of fun along the way Bono As one of the music world s most iconic artists and the cofounder of organizations ONE and RED Bono s career has been written about extensively But in Surrender it s Bono who picks up the pen writing for the first time about his remarkable life and those he has shared it with In his unique voice Bono takes us from his early days growing up in Dublin including the sudden loss of his mother when he was 14 to U2 s unlikely journey to become one of the world s most influential rock bands to his more than 20 years of activism dedicated to the fight against AIDS and extreme poverty Writing with candour self reflection and humour Bono opens the aperture on his life and the family friends and faith that have sustained challenged and shaped him Surrender s subtitle 40 Songs One Story is a nod to the book s 40 chapters which are each named after a U2 song Bono has also created 40 original drawings for Surrender which will appear throughout the book

**Surrender** Bono, 2022-11-01 NATIONAL BESTSELLER NEW YORK TIMES BESTSELLER I was born with an eccentric heart A remarkable book by a combative artist who finds he's at his best when he learns how to surrender Episodic and irreverent introspective and illuminating *Surrender* is Bono's life story organized but not too tidily around forty U2 songs Bono grew up on the Northside of Dublin with a Catholic father and a Protestant mother during a time of rising sectarian violence in Ireland The loss of his mother at the age of fourteen was the

absence that would shape his search for family He started out life feeling average but ultimately his whole life would be pitted against the assumption that anyone is average His creativity is chaotic but ever present in the studio onstage at the protest along the halls of Congress or in a corner bar We read about his anger issues which colour his writing on love and nonviolence and hear him own up to an ego far taller than my self esteem Across four decades U2 transform from teenage wannabes to the biggest band in the world and Bono evolves from a part time activist to a full time force in the fight to cancel poor countries debt and persuade governments particularly the United States to respond to the global AIDS emergency We are with him at the birth of PEPFAR the President s Emergency Plan for AIDS Relief At the time it amounted to the biggest health intervention in the history of medicine to fight a single disease He describes the campaigners of ONE the NGO he cofounded as factivists and sister organization RED as a gateway drug to activism U2 fans will learn why Bono believes U2 have stayed together despite decades of personal struggle and fiery creative disagreements and find keys to unlock the meaning of the band s most popular and influential songs The doors are opened to Bono s interior life The squandering of human potential is a constant theme as is his faith which he describes as sorting the signal from the noise a still small voice he hears strongest in his marriage his music and in the fight against extreme poverty Above all Surrender is a love story written to his wife Ali whom he asked out on a first date the same week as the band s first rehearsal Alison Stewart supplies direction for every major scene in this drama including the third act they now enter with more questions than answers regarding what to fight for and when to surrender
