## **Bony And The White Savage:**

**Bony and the White Savage** Arthur William Upfield, 1976 Mystery      **Bony and the White Savage** Arthur W. Upfield, 2020-06-01 By a lonely roadside in the south west corner of Western Australia old time Karl Mueller is roused from his drink sodden sleep by approaching footsteps and the sound of whistling What he sees on waking or thinks he sees is enough to make him stiffen with fear and more than enough to worry the police into calling for Inspector Napoleon Bonaparte The disturber of Mueller s rest is Marvin Rhudder once an outstanding theological student now a convicted rapist and basher a bloody savage whose recapture will put all of Bony s sleuthing and tracking skills to the test Bony a unique figure among top flight detectives BBC      *BONY AND THE WHITE SAVAGE. ARTHUR UPFIELD.* Arthur W. Upfield, 1961

*Bony and the White Savage, Etc* Arthur William UPFIELD, 1964      **Bony and the White Savage** Arthur William Upfield, 2014-07-14 Good looking Marvin Rhudder came home from college on a long summer vacation The day it ended he raped Rose Jukes Thirteen years later after a long series of sex crimes he returns to Timbertown wanted for murder Some remembered him with hatred some with love but no one ever forgot Marvin Hidden in the cliff caves of the dangerous southern coast it would take an army to prise Marvin out or maybe just Inspector Bonaparte      **Investigating Arthur Upfield** Carol Hetherington, Kees de Hoog, 2011-10-18 Arthur Upfield created Detective Inspector Napoleon Bonaparte Bony who features in twenty nine novels written from the 1920s to the the 1960s mostly set in the Australian Outback He was the first Australian professional writer of crime detection novels Upfield arrived in Australia from England on 4 November 1911 and this collection of twenty two critical essays by academics and scholars has been published to celebrate the centenary of his arrival The essays were all written after Upfield s death in 1964 and provide a wide range of responses to his fiction The contributors from Australia Europe and the United States include journalist Pamela Ruskin who was Upfield s agent for fifteen years anthropologists literary scholars pioneers in the academic study of popular culture such as John G Cawelti and Ray B Browne and novelists Tony Hillerman and Mudrooroo whose own works have been inspired by Upfield s The collection sheds light on the extent and nature of critical responses to Upfield over time demonstrates the type of recognition he has received and highlights the way in which different preoccupations and critical trends have dealt with his work The essays provide the basis for an assessment of Upfield s place not only in the international annals of crime fiction but also in the literary and cultural history of Australia      **The White Savage. Winds of Evil** , 1961 Arthur Upfield s scrapbook of press cuttings etc for the novels Bony and the White Savage published in the U S as The white savage and Winds of evil      *Bony and the Black Virgin* Arthur W. Upfield, 2020-06-01 When Inspector Bonaparte is called to the drought stricken outback sheep station he finds that two men have been savagely beaten to death Clues are scarce in this sun baked sand blown country but Bony s understanding of the bush and the people who live there both black and white leads him inexorably towards the killer When Upfield gets down to the point of interracial sexual relations he in effect is writing on one of the topics closest to his

heart Here his picture is unusually poignant Caught in the iron grip of separation from his kind of loneliness of sexual attraction Eric Downer is a victim of life from *The Spirit of Australia* by Ray Browne *The Spirit of Australia* Ray Broadus Browne,1988 In the world of crime fiction Arthur W Upfield stands among the giants His detective inspector Napoleon Bonaparte is one of the most memorable of all crime fighters Upfield was an independent fiercely self assertive ex Britisher who loved Australia especially the Outback In many ways Upfield became Outback Australia the Spirit of Australia Bony and the Mouse Arthur W. Upfield,2020-06-01 Three times a killer has struck in Daybreak a one pub town in Western Australia Why should so many people suspect the strange bad boy Tony Carr Why were the local Aboriginal tribe far away from town at the time of the murders Inspector Bonaparte finds this small community very tight till the arrival of a job seeking bloke by the name of Nat Bonnar Though lacking in some of the tightness that characterises Upfield s strongest books this thriller is nevertheless a powerful success The geography and geology are stark and proper setting the people are alive and flexing with pain and apprehension And here as he so often does he creates a major heroic character in Melody Sam who is unparalleled and unchallenged from *The Spirit of Australia* by Ray Browne Bony a unique figure among top flight detectives BBC Mr Jelly's Business Arthur W. Upfield,2020-06-01 Murder down under The car lies wrecked and abandoned near the world s longest fence the rabbit proof fence in the wheat belt of Western Australia There is no sign of its owner Has George Loftus simply decamped for reasons of his own Or was it murder Bonaparte suspects the worst and is determined to find the body and the murderer This novel is filled with Upfield s own philosophy about what creates murderers We also find out a lot about Aboriginal tracking methods as well as more information about Bony s family background *Mysteries in Paradise* *Bony Buys a Woman* Arthur W. Upfield,2020-06-01 Deep in Australia s outback a woman has been murdered her daughter vanished Ole Fren Yorky a crazy wanderer is known to have been in the area and his footprints have been identified near the body When he too disappears even the Aboriginal trackers are baffled Bony s approach changes everything It becomes one of Bony s great adventures He pictures the merits of Aboriginal society And he uses weather in this case the threatening rising of the lake to picture man s heroic stature The setting the events the pace of telling the story the style of telling it all combine to make this a tight effective crime novel From *The Spirit of Australia* by Ray Browne Death of a Lake Arthur W. Upfield,2020-06-01 Eight hundred kilometres from the sea Lake Otway is dying Heat drought and thirst crazed animals take their toll When Ray Gillen lucky lottery winner went for a swim one night and never came back some thought it was an accident or was it murder As the water level drops five men and two women wait beside the shrinking lake for the body the money or neither And watching it all Bony *Death of a Lake* is as intense and unremitting story as Upfield ever wrote It should be for it is very close to Upfield s personality being the real Albermarle Station where Upfield was first hired as a cook in the 1920s and where he began his writing career In a hut at Wheeler s Well Upfield was inspired to write his Bony after a visit by Upfield s friend tracker Leon Wood from *The Spirit of Australia* by Ray

Browne Bony a unique figure among top flight detectives BBC      **Venom House** Arthur W. Upfield,2020-06-01 The Answerth family s mansion seems to deserve its nickname of Venom House perhaps because of its forbidding setting an island in the centre of a man made lake its treacherous waters studded by the skeletons of long dead trees Perhaps it s because of the unquiet ghosts of the Aborigines slaughtered by the Answerth ancestors Whatever the reason most people are content to give Venom House and its occupants a wide berth until a couple of corpses turn up in the lake The strength of Upfield s accomplishment in this book is so overwhelming it makes the reader cower The characters are well developed the conversation vernacular for the Australian outback and the development compelling The story is the nearest Upfield comes to a story that would have made Edgar Allen Poe envious Upfield maintains a kind of corpse like humour which is very amusing The whole book is first class Upfield and first class crime fiction from The Spirit of Australia by Ray Browne      **The Devil's Steps** Arthur W. Upfield,2020-06-01 On special assignment with Military Intelligence Detective Inspector Bonaparte leaves his familiar Australian outback environment for Melbourne and a nearby mountain resort Although out of his element with city people Bony displays his characteristic skills to interpret some puzzling clues in the search for a wily killer The complex half caste Bony is I think my favourite fictional detective of the past twenty years Anthony Boucher The New York Times

Arthur W. Upfield, 2020-06-01 Broome is a little sun drenched town on the barren north west coast of Australia the kind of place where everyone knows everyone else's business where all the little bungalows might be glass for all the secrets they hide How then had the murderer of Broome's two most attractive widows got away without leaving a single clue Detective Inspector Napoleon Bonaparte investigates with his usual calm precision but the murderer strikes again and Bony realizes he is dealing with a madman that time is running out Bony a unique figure among top flight detectives BBC *The Lake Frome Monster* Arthur W. Upfield, 2020-06-01 When Eric Maidstone was found dead near Bore Ten just west of the Dingo proof Fence the first thought of those who discovered his body was that he might have been attacked by the rogue camel known as The Lake Frome Monster But camels don't carry guns and Maidstone had a bullet hole in his chest which put the Monster in the clear So who killed young Maidstone Bony disguised as a worker on the Fence intends to find out There are sand storms galore there are mad camels there is personal and professional deprivation there are rabbits by the millions In this typical Upfield country there is the boredom of loneliness there is the sheer weight of the Australian outback it is vintage Upfield from *The Spirit of Australia* by Ray Browne *Bony and the Kelly Gang* Arthur W.
