

Giving Back

**this is what i have taken from you
many years ago
and you do not remember**

**i am now returning it back to you
with an open heart
my hands stretching out
to reach you again**

**you still wonder what was it
what is this all about
what i am giving back to you**

**i am giving you back this
empty heart these empty hands
this empty mind this openness
my gaping mouth
my hollow body**

**you still do not remember
many years ago
you have taken them all from me
and i was wearing that smile
of the willing victim**

**it is about time that you remember
the sadness that clings like a wilting vine on our fences**

Art and Activism in the Nuclear Age Roman Rosenbaum, Yasuko Claremont, 2023-05-12 This book explores the contemporary legacy of Hiroshima and Nagasaki following the passage of three quarters of a century and the role of art and activism in maintaining a critical perspective on the dangers of the nuclear age It closely interrogates the political and cultural shifts that have accompanied the transition to a nuclearised world Beginning with the contemporary socio political and cultural interpretations of the impact and legacy of the destruction of Hiroshima and Nagasaki the chapters examine the challenges posed by committed opponents in the cultural and activist fields to the ongoing development of nuclear weapons and the expanding industrial uses of nuclear power It explores how the aphorism that all art is political is borne out in the close relation between art and activism This multi disciplinary approach to the socio political and cultural exploration of nuclear energy in relation to Hiroshima Nagasaki via the arts will be of interest to students and
