The Practice of Traditional Western Herbalism Matthew Wood, 2013-04-02 The Practice of Traditional Western Herbalism places the function of western herbs in their true historical context apart from homeopathy traditional Chinese medicine and Ayurveda Recently there has been a revival of interest in western herbalism but practitioners haven t been able to explore its benefits due to a void of information on the topic the system of medicine the herbs fit into had all but disappeared To remedy the situation herbalist Matthew Wood has researched the old time practices

and reconstructed them for modern use In resuscitating western herbal medicine and bringing it up to date he gives his readers a powerful tool for holistic theory and treatment Wood makes the point that plant medicines because they are made from a broad range of chemical components are naturally suited for the treatment of general patterns in the body He argues against the biomedical model of standardization in which herbs are refined and advertised as if they were drugs suited to an exact disease or condition

Planting the Future Rosemary Gladstar,Pamela Hirsch,2000-09 Planting the Future shows how land stewardship habitat protection and sustainable cultivation are of critical importance to ensure an abundant renewable supply of medicinal plants for future generations

Alchemical Medicine for the 21st Century Clare Goodrick-Clarke,2010-06-08 Using the ancient art of spagyrics for treatment of today s health problems Contains detailed indications for using alchemical preparations therapeutically Shows how the essences work holistically to heal the mind body and spirit with the energetic qualities of the plant Provides effective therapy for a wide range of physical and mental disorders Spagyrics is a branch of medicinal alchemy that enhances the healing properties already existing in plants Developed by Paracelsus the magus and alchemist of the early 16th century spagyrics is a holistic therapy that promotes healing at all levels of the human being body soul and spirit Spagyric essences harness the dynamic life force in plants that triggers recovery from the energetic imbalance of illness The harmonizing and balancing qualities of spagyric essences differ from other plant remedies and aromatherapy oils because they not only include the plant s energetic information but also incorporate the salt of the plant from which all toxic matter has been purged The preparation of this alchemical medicine makes it possible to capture the full therapeutic spectrum of plants including the cosmic energies they have absorbed Alchemical Medicine for the 21st Century contains detailed indications for using these alchemical preparations to treat both physical and mental disorders The author shows for example that the tincture made from dandelion is especially potent on liver related ailments and also raises the spirit and frees the patient from anger and bitterness The immune system is also boosted by this essence providing tonic effects for allergy sufferers The author a homeopath since 2000 also shows how these spagyric essences can be potentized homeopathically
