*The book of Isaiah* Mosheh Goshen-Gotšhtain,1975      **The Book of Isaiah** Moshe Henry Goshen-Gottstein,1975

**The book of Isaiah** 1975,(מִיָּסָדִים) מִיָּסָדִים      The Book of Isaiah Moshe Goshen-Gottstein,2010-11 At head of title Mifal ha Miokra shel ha Universiotah ha Ivrit      *The Book of Isaiah* ,1981      The book of Isaiah Moshe H. Goshen-Gottstein,1965

*The Hebrew University Bible* ,1975      The Hebrew University Project ,1965      **The Book of Isaiah** Isaias (Propheta.),1975      **Message of Isaiah 1–27 Then and Now** Bohdan Hroboň,2021 The purpose of the book is threefold First it summarizes the results of scholar discussion on the first 27 chapters of the book of Isaiah in a way that understandable to a non professional general reader It attempts to capture the main message of each unit of this text in a nutshell while preserving the complexity of the text and integrity of modern scholarship The second goal is to draw parallels between Isaiah 1 27 and the societies and issues of post communist countries so the original message and lessons can be relearned and applied to them Third the brevity and the actualization are to stimulate the interest of the reader in a more in depth study of this very influential part of the Scripture      **The Book of Isaiah** Esajas,the Hebrew University Bible Project,1965      *Bible O.T. Isaiah. Hebrew. Hebrew University Bible. 1975: the Hebrew University Bible the Book of Isaiah part one, part two* ed GOSHEN-GOTTSTEIN,1975      *Isaiah 1-39* Marvin Alan Sweeney,1996 1 Samuel is Volume VII of The Forms of the Old Testament Literature a series that aims to present a form critical analysis of every book and each unit in the Hebrew Bible Fundamentally exegetical the FOTL volumes examine the structure genre setting and intention of the biblical literature in question They also study the history behind the form critical discussion of the material attempt to bring consistency to the terminology for the genres and formulas of the biblical literature and expose the exegetical process so as to enable students and pastors to engage in their own analysis and interpretation of the Old Testament texts Antony Campbell s valuable form critical analysis of 1 Samuel highlights both the literary development of the text itself and its meanings for its audience A skilled student of the Hebrew scriptures and their ancient context Campbell shows modern readers the process of editing and reworking that shaped 1 Samuel s final form As Campbell s study reveals the tensions and contradictions that exist in the present text reflect a massive change in the way of life of ancient Israel Samuel the first prophet here emerges to preside over the rise of Saul Israel s first king to be the agent of Saul s rejection and to anoint David as Israel s next king and the first established head of a royal dynasty The book of 1 Samuel captures the work of God within this interplay of sociopolitical forces and Campbell fruitfully explores the text both as a repository of traditions of great significance for Israel and as a paradigm of Israel s use of narrative for theological expression      *Isaiah 1-39* David Stacey,2018-05-16 David Stacey believes that the meaning of oracles when they were first spoken is of primary importance for preachers and teachers today In this commentary he attempts to unravel the difficulties which even the best translations fail to make plain to place each passage in its original context But the prophecies were repeatedly edited and re used over a

long period and Dr Stacey also examines this living Isaiah tradition which he thinks is a valuable feature of the book The work of the ancient editors can provide a model of the way we can understand the text today Throughout the commentary the question is asked If this is how the text was understood and used in various ancient settings how can we accept it understand it and use it as authentic Scripture today     **Isaiah 1-39** Gary V. Smith,2007-06-15 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text     *Isaiah 1-12, Second Edition (1983)* Otto Kaiser,1983-09 Now available in a new casebound edition is Otto Kaiser s commentary on the first twelve chapters of Isaiah The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing     *Isaiah 1-39* Joseph Blenkinsopp,2000 It may seem like one of the most difficult questions of all time Yet the answer could not be more simple or more beautiful than it is in this elegantly illustrated gift book     **Isaiah 1-39** ,2021 Writing a commentary on the book of Isaiah in the middle of a paradigm shift in biblical studies and in the study of the prophetic books in particular is no easy task The book of Isaiah has been the object of more scholarly interest over the past two or three decades than during the preceding century At the same time much of the received wisdom on the formation of the book has been called into question including such matters as the date of its several components the standard tripartite division the role if any to be assigned to the prophet Isaiah himself and the passages dealing with the anonymous Servant of the Lord A great deal of effort has been and continues to be expended in exploring new approaches to the book both within the conventional critical methodologies and beyond them This commentary by Joseph Blenkinsopp on the first thirty nine chapters of the book the first of a three volume commentary on Isaiah is written from a critical perspective in the belief that only in this way can these texts be given the opportunity to say what they have to say and also in the conviction that what they have to say still retains its transforming power for those willing to listen attentively today The result is a commentary of unequalled brilliance and insight that will stand as the definitive study of one of the Hebrew Bible s most compelling and elusive books     *The Book of Isaiah* Moshe Henry Goshen-Gottstein,1981
