Hartley,1988-05-18 This commentary on Job follows in the tradition of the NICOT series by providing an up to date evangelical commentary based on thorough scholarship John E Hartley deals carefully with this book whose language text and theology are not only among the most intriguing in the Old Testament but also among the most difficult to grasp     **Job 1 - 21** C. L. Seow,2013-07-04 The Hebrew book of Job is by all accounts an exquisite piece of literary art that holds its rightful place among the most outstanding compositions in world literature Yet it is also widely recognized as an immensely difficult text to understand In elucidating that ancient text this inaugural Illuminations commentary by C L Seow pays close attention to the reception history of Job including Jewish Muslim Christian and Western secular interpretations as expressed in theological philosophical and literary writings and in the visual and performing arts Seow offers a primarily literary theological interpretation of Job a new translation and detailed commentary     **Job** Francis I. Andersen,1976 The Old Testament book about Job is one of the supreme offerings of the human mind to the living God and one of the best gifts of God to men writes Francis Andersen The task of understanding it is as rewarding as it is strenuous One is constantly amazed at its audacious theology and at the magnitude of its intellectual achievement Job is a prodigious book in the vast range of its ideas in its broad coverage of human experience in the intensity of its passion in the immensity of its concept of God and not least in its superb literary craftsmanship From one man s agony it reaches out to the mystery of God beyond words and explanations Publisher     *Job* Francis I.
