Of Jubilees:

The Book of Jubilees R. H. Charles, 2007-06-01 This Is A New Release Of The Original 1902 Edition **Book of Jubilees** James VanderKam, 2001-07-01 The Book of Jubilees a Jewish retelling of Genesis and the first half of Exodus was an important work for the community of the Dead Sea Scrolls This Guide following the format of this successful series gives an introduction to Jubilees that covers its dating its textual history and its purpose a survey of its theological teachings and themes and a section by section commentary that includes a comparison of its divergences from Genesis and the meaning and emphasis of each section This volume by the leading authority on Jubilees provides the very best introduction for the student and scholar to one of the most important texts of Early Judaism **Abraham in the Book of Jubilees** J.T.A.G.M. van Ruiten, 2012-11-09 In Abraham in the Book of Jubilees Jacques van Ruiten offers a systematic analysis of one of the most important and extensive Second Temple Jewish treatments of the figure of Abraham Jub 11 14 23 8 Given the importance of representations and reinterpretations of Abraham within Judaism Christianity and Islam a careful analysis of this early source is an important contribution to research both on the evolving images of biblical patriarchs and on the history of biblical interpretation There are many references to Jubilees in articles and books on images of Abraham They are chosen for exegetical motifs with little attention for its own literary and narrative dynamics or for the specific writing and reading practices that it embodies and attests Van Ruiten s careful analysis thus provides important context and corrective **The Perspective from Mt. Sinai: The Book of Jubilees and Exodus** Betsy Halpern-Amaru, 2015-09-16 Although termed the little Genesis the Book of Jubilees is significantly engaged with Exodus It reworks key Exodus narratives develops modules of Exodus law and highlights Exodus motifs The most fundamental connection to Exodus is the grounding of the two narrational structures of Jubilees in the scenario of Moses receiving a revelation on Mt Sinai In the frame an anonymous narrator develops the Mt Sinai setting of the work In the body an angel employs that setting as the present time pivot for a retrospect that moves backward and forward in time Focusing on the intersection of structure and content the study explores the relationship between the retrospective design of the angel narration and the exegesis The approach is a literary one that treats Jubilees as a unitary text that may reflect the work of a single author or of a final editor The analysis draws particular attention to manipulations of temporal and textual perspective that transform Exodus narratives facilitate the hermeneutical elaborations of Exodus law and effect cohesion in the revelation that is the Book of Jubilees Halpern Amaru s study makes a significant contribution to our understanding of biblical interpretation in Second Temple Judaism For example the reading of the Jubilees narrative of the exodus as a revelation of how God uses His heavenly forces i e Mastema and his demons as well as the angels of the presence on behalf of Israel has implications for the understanding of strategies that temper dualism in Second Temple Judaism *The Empowerment of Women in the Book of Jubilees* Betsy Halpern Amaru, 1999 An examination of biblical interpretation this work explores the unusual interest in the characterizations of women in the Book of Jubilees

The Apocalyptic Imagination John J. Collins , 2016 One of the most widely praised studies of Jewish apocalyptic literature ever written The Apocalyptic Imagination by John J Collins has served for over thirty years as a helpful relevant comprehensive survey of the apocalyptic literary genre After an initial overview of things apocalyptic Collins proceeds to deal with individual apocalyptic texts the early Enoch literature the book of Daniel the Dead Sea Scrolls and others concluding with an examination of apocalypticism in early Christianity Collins has updated this third edition throughout to account for the recent profusion of studies germane to ancient Jewish apocalypticism and he has also substantially revised and updated the bibliography **Profiling Jewish Literature in Antiquity** Alexander Samely, Philip S. Alexander, Rocco Bernasconi, Robert Hayward, 2013-11 This book presents a new methodology for the study of ancient Jewish literature extant in Hebrew Aramaic and Greek It arises from empirical investigation into the literary structures of many anonymous and pseudepigraphic sources including Pseudepigrapha and Apocrypha of the Old Testament the larger Dead Sea Scrolls Midrash

and the Talmuds **'You Are a Priest Forever'** Eric Mason,2008-01-23 Of the many proposals for the conceptual background of the priestly Christology of the Epistle to the Hebrews this book argues that the presentations of the messianic priest and Melchizedek in the Qumran texts provide the closest parallels to Hebrews thought Reworking the Bible: Apocryphal and Related Texts at Qumran Esther G. Chazon,Devorah Dimant,Ruth Clements,2018-11-01 This book contains papers presented at a symposium on Reworking the Bible at Qumran convened in 2002 by the Institute of Advanced Studies and the Orion Center for the Study of the Dead Sea Scrolls and Associated Literature at the Hebrew University of Jerusalem The core theme is the use and interpretation of the Bible in apocryphal and related works found at Qumran Nearly half the papers treat legal interpretation the other half examines narrative exegesis Key issues include the question of the authority of the reworked biblical texts their exegetical techniques motifs and genres This collection provides a valuable resource for the study of Bible the history of interpretation apocrypha and pseudepigrapha ancient Judaism and early Christianity

Jewish Law and Early Christian Identity Yifat Monnickendam,2020-01-09 Explores marriage sexual relations and family law in late antique Christianity using the writings of Ephrem the Syrian **The Earth is the Lord's** João Paulo Thomaz de Aquino,2025-02-28 Land reformation is a relevant and important subject especially in developing countries With this significance in mind what can we learn from the examples in Luke Acts that speak to our current view of the redistribution of land ownership rights In this skilful and pioneering work Dr Jo o Paulo Thomaz de Aquino explores the present day implications for viewing land as an economic factor through examining the parallels found in Luke Acts This in depth study reveals how land was viewed and used in a radically different fashion by Jesus and his followers when compared to Israel under the rule of the Roman Empire Exploring how Luke draws upon the Old Testament ethics specifically the jubilee legislation Dr Thomaz de Aquino proposes that Jesus presents God as the ultimate owner of the land and in light of that we are called to steward it responsibly An excellent resource for scholars and all those interested in the social implications of the gospel **The Origin of the Samaritans** Magnar Kartveit,2009 Many Bible readers will think that chapter 17 of the second book of Kings refers to the origin of the Samaritans This understanding of the chapter has its earliest attestation in the works of Josephus The present book evaluates the methods often used for finding the origin of the Samaritans makes an assessment of well known and new material and ventures into some uncharted territory It is suggested that the moment of birth of the Samaritans was the construction of the temple on Mount Gerizim This happened in the first part of the fourth century b c e in accordance with the original commandment of Moses in Deut 27 4 Intolerance, Polemics, and Debate in Antiquity George H. van Kooten,Jacques van Ruiten,2019-10-01 In Intolerance Polemics and Debate in Antiquity scholars reflect on politico cultural philosophical and religious forms of critical conversation in the ancient Near Eastern Biblical Graeco Roman and early Islamic world They enquire into the boundaries between debate polemics and intolerance and address their manifestations in both philosophy and religion This cross cultural and inclusive approach shows that debate

and polemics are not so different as often assumed since polemics may also indicate that ultimate values are at stake Polemics can also have a positive effect stimulating further cultural development Intolerance is more straightforwardly negative Religious intolerance is often a justification for politics but also elite rationalism can become totalitarian The volume also highlights the importance of the fluency of minorities in the dominant discourses and of their ability to develop contrapuntal lines of thought within a common cultural discourse Angels Associated with Israel in the Dead Sea Scrolls Matthew L. Walsh, 2019-12-16 A well known characteristic of the sectarian Dead Sea Scrolls are their assertions that membership in the Qumran movement included present and eschatological fellowship with the angels but scholars disagree as to the precise meaning of these claims To gain a better understanding of angelic fellowship at Qumran Matthew L Walsh utilizes the early Jewish concept that certain angels were closely associated with Israel Moreover these angels which included guardians and priests were envisioned within apocalyptic worldviews that assumed that realities on earth corresponded to those of the heavenly realm A comparison of non sectarian texts with sectarian compositions reveals that the Qumran movement's lofty assertions of communion with the guardians and priests of heavenly Israel would have made a significant contribution to their identity as the true Israel **Qumran, Early Judaism, and New Testament**

Interpretation Jörg Frey, 2019-08-28 Back cover How did the Qumran discoveries change New Testament scholarship What are the main insights to be gained from the Qumran corpus with regard to the Jesus tradition Paul's language and theology the dualistic language and worldview of the Fourth Gospel or the formation of the biblical Canon The articles of this volume present the fruits of 25 years of scholarship on Qumran and the New Testament Torah and Tradition Klaas Spronk, Hans Barstad, 2017-02-20 The proceedings of the sixteenth joint meeting presented in this volume will show the fruits of the ongoing cooperation between the members of the British Society for the Study of the Old Testament and the Dutch Oudtestamentische Werkgezelschap The theme of the conference was Torah and Tradition The volume brings together many different approaches in describing the multifaceted traditions behind the Hebrew Bible in its present form
