Reincarnated Mage with Inferior Eyes: Breezing through the Future as an Oppressed Ex-Hero Volume 3

Yusura Kankitsu, 2023-07-28 Good grief Guess I shouldn't have expected more from the research societies of this academy Just one of them caught my eye and it literally only has one member Between choosing a research society keeping people out of danger and something more nefarious going on in the background it's hard to pursue my goal of a peaceful student life On the other hand I'm finally getting closer to figuring out the mystery of why mages are so much weaker than they used to be

Reincarnated Mage with Inferior Eyes: Breezing through the Future as an Oppressed Ex-Hero Volume 7

Yusura Kankitsu, 2025-02-07 Good grief Life's only seemed to become more complicated recently but it looks like things might finally be settling down Right now all I have to worry about is earning money to buy Lilith's Christmas present I might finally be able to live the simple life I always wanted Unfortunately it seems that someone has a different plan and I might end up taking on the greatest challenge I've faced yet For someone like me who was once known as a peerless prodigy this should still be a walk in the park But I get the feeling that a lot of familiar faces are about to pop up and none of them will be too interested in a peaceful resolution

[Reincarnated Mage with Inferior Eyes: Breezing through the Future as an Oppressed Ex-Hero Volume 1](#) Yusura Kankitsu, 2023-04-10 Good grief After spending years traveling across the world saving towns defeating demons and then finally killing the demon king my party the people I considered comrades decided to kick me out I'd honestly thought that they'd be different They wouldn't be like the rest of the world who irrationally hate people like me with Amber Eyes But I was wrong In the end it's not their fault though It's just how the world was back then I was sure that with more time and understanding the world would shed their preconceived notions about those with Amber Eyes and treat us as they would anyone else I held on to this hope as I used my unique magecraft to reincarnate myself two hundred years into the future Now it's time to find out if my guess was right

Formerly the Vice President of the Science Fiction Writers of America, a longtime copyeditor for all the major publishers, and the author of a number of well-received short stories, McGarry is extremely well-known throughout the genre. And now, with talent, insight, and skill rarely seen today, McGarry has crafted a fantasy adventure of the first rank: a wonderful, gripping adventure. Liath was proud to have passed her challenge and become a true mage, ready to journey the land and find a Triad to bond with as an Illuminator. But that very night, her light fails her; she can no longer see the magical illumination guiders, and thus, despite the mage's badge upon her breast, can no longer call herself Illuminator. Liath travels to the city and petitions the Ennead, the senior mages of the land, for help and a cure. Before they will help her, they set a task for her to fulfill: she must find and capture the rogue Dark Mage and bring him to the Ennead for justice. Only then will her light be freed. So goes Liath on the most important journey of her life; for the future of the world rests on her success or failure, but which one?
