## Of Mormon Lands A Photographic Essa:

**Book of Mormon Lands** Paul R. Cheesman, 1978 *Brigham Young University Studies* Brigham Young University, 2006  
*Dialogue*, 1992 A journal of Mormon thought *Sojourner in the Promised Land* Jan Shipps, 2024-04-22 Infused with Jan Shipps's lively curiosity, scholarly rigor, and contagious fascination with a significant subculture, *Sojourner in the Promised Land* presents a distinctive parallel history in which Shipps surrounds her professional writings about the Latter-day Saints with an ongoing personal description of her encounters with them. By combining a portrait of the dynamic evolution of contemporary Mormonism with absorbing intellectual autobiography, Shipps illuminates the Mormons and at the same time shares with the reader what it has been like to be on the outside of a culture that remains both familiar and strange. **Lehi and Sariah in Arabia** Warren P. Aston, 2015-12-10 A 21st Century re-examination of the most read book to emerge from the Western Hemisphere, the Book of Mormon. As Mormonism grows into a world faith, the veracity of its founding scripture has never been more important. The three decades of Arabian exploration reported in *Lehi and Sariah in Arabia* identifies specific locations for the 8-year journey described in the text, allowing Nephi's account to emerge with new clarity and enhanced plausibility. **BYU Studies**, 2006 A voice for the community of LDS scholars. **Latter-Day Saint Art** Amanda K. Beardsley, Cayleff and Sakai Faculty Scholar Amanda Beardsley, Mason Kamana Allred, Assistant Professor of Communication Media and Culture. Mason Allred, 2024 *Latter-day Saint Art: A Critical Reader* seeks to fill a substantial gap by providing a comprehensive examination of the visual art of the Latter-day Saints from the nineteenth century to the present. The volume includes twenty-two essays examining art by or about Mormons as well as over 200 high-quality color illustrations. **AB Bookman's Weekly**, 1998 *The Mormon Landscape* Richard V. Francaviglia, 1978 *Tejano South Texas* Daniel D. Arreola, 2010-01-01 On the plains between the San Antonio River and the Rio Grande lies the heartland of what is perhaps the largest ethnic region in the United States: Tejano South Texas. In this cultural geography, Daniel Arreola charts the many ways in which Texans of Mexican ancestry have established a cultural province in this Texas-Mexico borderland that is unlike any other Mexican-American region. Arreola begins by delineating South Texas as an environmental and cultural region. He then explores where the Tejanos are, where in Mexico they originated, and how and where they settled historically in South Texas. Moving into the present, he examines many factors that make Tejano South Texas distinctive from other Mexican-American regions: the physical spaces of ranchos, plazas, barrios, and colonias; the cultural life of the small towns and the cities of San Antonio and Laredo; and the foods, public celebrations, and political attitudes that characterize the region. Arreola's findings thus offer a new appreciation for the great cultural diversity that exists within the Mexican-American borderlands.  
*Dorothea Lange* Kerry Acker, 2004 Discusses the life and work of the twentieth-century American photographer Dorothea Lange. *Artbibliographies Modern*, 1990 Abstracts of journal articles, books, essays, exhibition catalogs, dissertations, and exhibition reviews. The scope of ARTbibliographies Modern extends from artists and movements beginning with

Impressionism in the late 19th century up to the most recent works and trends in the late 20th century Photography is covered from its invention in 1839 to the present A particular emphasis is placed upon adding new and lesser known artists and on the coverage of foreign language literature Approximately 13 000 new entries are added each year Published with title LOMA from 1969 1971 LIFE ,1954-09-27 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Mormon Historical Studies** ,2007 **Journal of Mormon History** ,1996 LIFE ,1958-08-04 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Farm** Joyce Kinkead,Evelyn Funda,Lynne S. McNeill,2020-06-01 In Farm Joyce Kinkead Evelyn Funda and Lynne S McNeill explore the culture of agriculture through a diverse and multicultural collection of fiction poetry essays art recipes and folklore This reader views farming through a variety of lenses asking students to consider what farms farming and farmers mean and have meant to culture in the United States In the text readers are guided through the Jeffersonian idealism of the yeoman farmer cultivators of the earth are the chosen people of God to literature of the nineteenth and twentieth centuries Thoreau s The Bean Field Cather s prairie trilogy Steinbeck s The Grapes of Wrath and Carpenter s Farm City Contributors provide historical context for the literary texts such as discussion of sharecropping vs plantation systems the rise of agribusiness and chemical farming and Teddy Roosevelt s Country Life Commission Written visual and oral texts ask readers to consider the farm in art Grant Wood ecology Rachel Carson s Silent Spring children s and young adult literature classic children s books YA novels nonfiction and poetry advertising from early boosterism to Chipotle videos print culture farmers market and victory garden posters from both world wars folklore food culture vintners and veterinarian practices popular culture Farm Aid concerts and much more Each reading is supported by activities exercises projects and visual rhetorical elements that further connect students to agriculture and the essential work of farmers **Exceptionally Queer** K. Mohrman,2022-07-05 How perceptions of Mormonism from 1830 to the present reveal the exclusionary racialized practices of the U S nation state Are Mormons really so weird Are they potentially queer These questions occupy the heart of this powerful rethinking of Mormonism and its place in U S history culture and politics K Mohrman argues that Mormon peculiarity is not inherent to the Latter day Saint faith tradition as is often assumed but rather a potent expression of U S exceptionalism Exceptionally Queer scrutinizes the history of Mormonism starting with its inception in the early 1830s and continuing to the present Drawing on a wide range of historical texts and moments from nineteenth century battles over Mormon plural marriage to the LDS Church s emphases on individual responsibility and family values to mainstream media s coverage of the LDS Church s racist

exclusion of Black priesthood holders its Native assimilation programs and vehement opposition to the Equal Rights Amendment and to much more recent legal and cultural battles over same sex marriage and on screen Mormon polygamy Exceptionally Queer evaluates how Mormonism has been used to motivate and rationalize the biased exclusionary and colonialist policies and practices of the U S nation state Mohrman explains that debates over Mormonism both drew on and shaped racial discourses and in so doing delineated the boundaries of whiteness and national belonging largely through the consolidation of hetero normative ideas of sex marriage family and economy Ultimately the author shows how discussions of Mormonism in this country have been and continue to be central to ideas of what it means to be American **Dorothea**

**Lange, Documentary Photography, and Twentieth-Century America** Carol Quirke, 2019-03-04 Dorothea Lange Documentary Photography and Twentieth Century America charts the life of Dorothea Lange 1895 1965 whose life was radically altered by the Depression and whose photography helped transform the nation The book begins with her childhood in immigrant metropolitan New York shifting to her young adulthood as a New Woman who apprenticed herself to Manhattan s top photographers then established a career as portraitist to San Francisco s elite When the Great Depression shook America s economy Lange was profoundly affected Leaving her studio Lange confronted citizens anguish with her camera documenting their economic and social plight This move propelled her to international renown This biography synthesizes recent New Deal scholarship and photographic history and probes the unique regional histories of the Pacific West the Plains and the South Lange s life illuminates critical transformations in the U S specifically women s evolving social roles and the state s growing capacity to support vulnerable citizens The author utilizes the concept of care work the devalued nurturing of others often considered women s work to analyze Lange s photography and reassert its power to provoke social change Lange s portrayal of the Depression s ravages is enmeshed in a deeply political project still debated today of the nature of governmental responsibility toward citizens basic needs Students and the general reader will find this a powerful and insightful introduction to Dorothea Lange her work and legacy Dorothea Lange Documentary Photography and Twentieth Century America makes a compelling case for the continuing political and social significance of Lange s work as she recorded persistent injustices such as poverty labor exploitation racism and environmental degradation **Current Contents** ,1999
