Weaving Patterns of Yesterday and Today Violetta Thurstan, 2013-05-31 Weaving Patterns of Yesterday and Today explores the history of weaving and weaving patterns first looking at its origins before walking the reader through the various methods used to produce different patterns With detailed explanations and simple step by step instructions this profusely illustrated guide is highly recommended for those with an interest in weaving and its developments throughout the ages Contents include The Harness Cotton And Wool Warps Silk Warp The Selvedge The Calculation Of Threads Required For The Warp Of Patterned Materials The Warp Book Specimen Entry The Pedals And What They Do How To Read A Drafting Pattern etc Many vintage books such as this are increasingly scarce and expensive It is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new introduction on textiles and weaving

Interpreting the Evolution of Atayal Tribal Textile Patterns Po Hsun Wang, Jie Li, 2025-07-02 This book elucidates findings from an anthropological study that analyzes the patterns of Taiwan's Atayal tribe's fabric in their ethnic dress codes By analyzing the changes and development of the patterns over time the authors draw fascinating conclusions regarding the geographical migration and intermarriage practices between indigenous minority groups in Taiwan's history The book brings new insights within East Asian linguistic anthropology in theorizing about the origins of legends and broader patterns of ethnic migration integrating the characteristics and relationships among Atayal fabrics and interpreting these relationships in connection with the flow of sub ethnic groups In doing so the book provides rich empirical evidence for anthropologists and migration scholars to better understand the movement of ethnic groups in Taiwan while also establishing a model for how studying textile design can be employed to establish such linkages The book shows that the composition and changes of ethnic minority patterns have their own internal logic and causes By studying this the authors demonstrate how such work might translate intangible and tangible culture into explicit and shareable knowledge and provide a compass for other anthropologists and researchers in the fields of visual and linguistic anthropology migration studies and ethnic and indigenous cultures in Asia and beyond
