E. John Boles, 2022-11-14. This is not a professionally written cookbook but is a representation of homegrown family cooking. Minus a few corporate-inspired recipes and one professional carrot cake recipe, my little book of kitchen recipes is a collection of hand-me-down family recipes from one generation to the next. The design of this book has been left plain because, in the author's opinion, too many illustrations cause distractions in the kitchen. It is his hope that by providing the space to enter a recipe or alter an existing one, more people will take up cooking again and continue to pass these and other recipes on to future generations.

The Encyclopedia of Herbs and Spices P. N. Ravindran, 2017-12-28. The Encyclopedia of Herbs and Spices provides comprehensive coverage of the taxonomy, botany, chemistry, functional properties, medicinal uses, culinary uses, and safety issues relating to over 250 species of herbs and spices. These herbs and spices constitute an important agricultural commodity; many are traded globally and are indispensable for pharmaceuticals, flavouring foods and beverages, and in the perfumery and cosmetic industries. More recently, they are increasingly being identified as having high nutraceutical potential and important value in human healthcare. This encyclopedia is an excellent resource for researchers, students, growers, and manufacturers in the fields of horticulture, agriculture, botany, crop sciences, food science, and
