## About God:

**Teaching about God and Spirituality** Roberta Louis Goodman, 2002 A wide array of renowned scholars and practitioners share their ideas for teaching about God from a Jewish perspective in this comprehensive collection This enlightening yet practical resource includes ready to use lessons for preschool through adult and family education as well as background material to enrich the teacher's own sense of God and spirituality Chapters include Writing a Personal Theology by Dr Neil Gillman The Changing Perceptions of God in Judaism by Rabbi Rifat Sonsino The Spiritual Condition of American Jews by Dr David Ariel The Image of God as Teacher by Dr Hanan Alexander Spiritual Mentoring by Dr Carol Ochs Tell Me a Story by Rabbi Sandi Eisenberg Sasso *Some Questions and Answers about God's Covenant and the Sacrament That Is a Seal of God's Covenant* Robert Rollock, 2016-06-17 Robert Rollock is best remembered today for the role he played in the development of Reformed covenant theology a role defined especially by the uniquely mature treatment of a pre fall covenant of works discovered in his thought However scholarship on Rollock's covenant thought has until now been based almost entirely on an early modern English translation of Rollock's Tractatus de vocatione efficaci 1597 and has overlooked discussion of the covenant of works found both in Rollock's 1596 Quaestiones et responsiones aliquot de Foedere Dei deque Sacramento quod foederis Dei sigillum est and his 1593 Romans commentary This volume offers the first complete English translation of Rollock's 1596 catechism as well as English translations of relevant sections from his Romans commentary that deal with the subject of God's covenants with man Thus this volume stands to offer students of Reformed covenant theology a better understanding of Rollock's thought and the contribution he made to the evolution of Reformed theology particularly on the matter of God's covenant with humankind before the fall *The God Questions, Exploring Life's Great Questions About God* Hal Seed, Dan Grider, 2007-10 How do I know that God is real Is the Bible really the Word of God or is it just an ancient book Why are Christians so exclusive Is there really only one way to heaven All of these are tough questions but in The God Questions they are addressed head on with hard hitting facts that tell the truth The God Questions gives brief simple and easy to understand answers to the eight key questions everyone asks about Christianity Divided in 40 short readable chapters this book will help you understand God and the universe He created Book cover **Inquiring about God: Volume 1, Selected Essays** Nicholas Wolterstorff, 2010-02-04 Inquiring about God is the first of two volumes of Nicholas Wolterstorff's collected papers This volume collects Wolterstorff's essays on the philosophy of religion written over the last thirty five years The essays which span a range of topics including Kant's philosophy of religion the medieval or classical conception of God and the problem of evil are unified by the conviction that some of the central claims made by the classical theistic tradition such as the claims that God is timeless simple and impassible should be rejected Still Wolterstorff contends rejecting the classical conception of God does not imply that theists should accept the Kantian view according to which God cannot be known Of interest to both philosophers and theologians Inquiring about God should give the reader a lively sense

of the creative and powerful work done in contemporary philosophical theology by one of its foremost practitioners **But**  
**What About God's Wrath?** Kevin Kinghorn, 2019-11-19 How can a loving God also be a God of wrath Using a philosophically  
informed line of argument and a careful study of the relevant biblical texts Kinghorn and Travis show how these two aspects  
of God's character can be reconciled Instead of assuming that God's just response to people is incompatible with a loving  
response the authors instead view God's love as a strictly essential divine attribute with justice as a derivative of love **It's**  
**All About God's Love** William T. Kremmell, 2019-03-21 In today's society couched in secularism relativism and general  
moral decline many people may have lost a sense of sin and are struggling to embrace the importance of spiritual healing  
Thankfully God always welcomes us back to experience God's merciful and healing love In an uplifting and deeply spiritual  
presentation retired priest William Kremmell underscores a basic truth of Christian faith that our God is a God of  
unconditional all embracing love and forgiveness for all people revealed in Jesus Throughout his study Father Kremmell  
examines why God's love is everlasting why we are all sinners the major reasons why Catholics do not approach the  
Sacrament of Reconciliation and the reasons why they should return to this grace filled experience all while helping believers  
find a healthy sense of sin a new appreciation of the God who is love and a better understanding of the Sacrament as a sign  
of God's merciful presence and life giving power in our lives It's All about God's Love is a retired priest's exploration of the  
Sacrament of Reconciliation and why it needs to be renewed and restored as an integral element of the spiritual journey of  
today's Catholic **Telling about God** William A. Van Roo, 1986 I am convinced that there is one sole everlasting principle  
This I have always believed But what he is like in himself this no one has ever come to know perfectly Nor will he come to  
know it even if he devotes his whole life and all his effort to this task He will only come to find by experience that much  
remains for him to investigate and that the only fruit he has acquired by his past labor is this he knows that God is Those  
words were written about 1600 years ago by a great theologian St Ephraem the Syrian Let them be a warning to you and to  
me to me lest I ambition too much in what remains of a lifetime of theology to you lest you expect too much of me As  
hopefully we shall understand more profoundly at the conclusion of this work St Ephraem's words are far from minimizing  
What he sums up as the fruit of a lifetime's effort is in a sense the sum of all that can be said in telling about God with ever  
firmer grasp of the meaning of the words by any one who has come to some degree of understanding within a life of faith Yet  
I hope too that we shall come to some deeper meaning of St Ephraem's words to a complementary affirmation and to a  
realization that when we shall have finished any stage of our telling about God there will always remain another more vital
