was what they wanted to do She was not letting him scare her off though She was still living her life They went to the same places just different times He finally took the hint and left them alone for the time being He saw them at a few parties and tried to dance with her Their guy friends put a barrier around them girls which she was very thankful for During their last year of college he asked her out She said as friends and that was the start They went out together with other couples because she didn't know John and didn't want to be alone with him After a while they started dating They went to a few parties together with her friends Jennifer and Leigh Ann went too She lost her virginity to him and later in their senior year she became pregnant by him He didn't use protection and she was inexperienced so she had no clue what to do She had the talk with her mother but really didn't know about that sort of thing John told her that he couldn't be the father because he had a childhood accident She told him that she never cheated on him and the baby was his He left her standing in the middle of campus crying in Jennifer's arms She let her family know during Thanksgiving break Her brothers wanted to kick his butt because as a young man he should have taken precautions Her family let her know that they were behind her no matter what she decided Did John try to get back with her What would happen to the baby To find out read book 2
