Book of Common Prayer USA Protestant Episcopal Church, 2001-03-01 The Living Church, 1942 *The Cambridge Companion to American Protestantism* Jason E. Vickers, Jennifer Woodruff Tait, 2022-05-26 A comprehensive guide from both chronological and a topical perspective to a broad diverse deeply rooted and influential religious tradition **The End of Liberal Theology** Peter Toon, 2010-10-01 Modern theology is a maze of conflicting beliefs In fact the shape of contemporary theology has changed so much in this century and especially since the 1960s that it's hard to make sense of it all Of not only what the various belief systems mean but how we came to be where we are within those systems In *The End of Liberal Theology* respected theological lecturer and author Peter Toon introduces evangelicals to modern forms of doctrine and theology both Protestant and Roman Catholic He does so by discussing the basics of orthodoxy by speaking to the various points of accommodation that have resulted in new forms of theology and by dissecting liberalism and its effect on evangelicalism This book is thus a family tree of modern theology showing how the various contemporary forms and those that preceded them are related to each other With its comprehensive analysis *The End of Liberal Theology* is destined to be a yardstick by which critical evaluations of current doctrines both old and new liberal and conservative will be made

Evangelical Dictionary of Theology Walter A. Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics Race Over Grace, The Church's Worship Thaddeus A. Schnitker, 2009-11-01 *A New Dictionary of Christian Theology* Alan Richardson, John Bowden, 1989 Welcomed on first publication as the best one volume dictionary of theology available here is an indispensable resource for students and clergy **Apocalyptic and the Future of Theology** Joshua B. Davis, Douglas Harink, 2012-11-07 Ernst Kasemann famously claimed that apocalyptic is the mother of Christian theology J Louis Martyn's radical interpretation of the overarching significance of apocalyptic in Paul's theology has pushed Kasemann's claim further and deeper Still despite the recognition that apocalyptic is at the core of New Testament and Pauline theology modern theology has often dismissed domesticated or demythologized early Christian apocalyptic A renewed interest in taking apocalyptic seriously is one of the most exciting developments in recent theology The essays in this volume taking their point of departure from the work of Martyn and Kasemann wrestle critically with the promise and possible peril of the apocalyptic transformation of Christian theology With original contributions from established scholars including Beverly Gaventa Stanley Hauerwas Robert Jenson Walter Lowe Joseph Mangina Christopher Morse and Fleming Rutledge as well as younger voices this volume makes a substantial contribution to the discussion of apocalyptic and theology today A unique feature of the book is a personal reflection on Ernst Kasemann by J Louis Martyn himself **Praying Shapes Believing** Leonel L. Mitchell, 1991-03-01 *Praying Shapes Believing* is both a contribution to ongoing scholarly dialogue about how to do liturgical theology and an exposition of the liturgical theology of the Episcopal Church the church which more than any other church seeds its own

identity in terms of its liturgy This in depth look at The Book of Common Prayer systematically gives a theological answer to the question What does it mean that we act and speak these particular words of liturgy The book has a two point focus The first is to set forth the liturgical theology of a particular liturgy without importing a priori considerations from sources outside the liturgy itself The second focus is an expansion of the theology of The Book of Common Prayer as the expression of the faith and life of the Episcopal Church

Mortal Follies William Murchison, 2009-04-08 It s not that the dignified and rarefied old Episcopal Church quit believing in God It s that the God you increasingly hear spoken of in Episcopal circles is infinitely tolerant and given to sudden changes of mind not quite the divinity you thought you were reading about in the scriptures Episcopalians of the twenty first century like their counterparts in other churches of the so called American mainline such as Methodists and Presbyterians seem to prefer a God that the culture would be proud of as against a culture that God would be proud of While they work to rebrand and reshelve orthodox Christianity for the modern market exponents of the new thinking are busy reducing mainstream Christian witness to a shadow of its former self Mortal Follies is the story of the Episcopal Church s mad dash to catch up with a secular culture fond of self expression and blissfully relaxed as to norms and truths An Episcopal layman William Murchison details how leaders of his church starting in the late 1960s looked over the culture of liberation liked what they saw and went skipping along with the shifting cultural mood especially when the culture demanded that the church account for its sins of heterosexism and racism Episcopalians have blended so deeply into the cultural woodwork that it s hard sometimes to remember that it all began as a divine calling to the normative and the eternal

Anglicans and the Roman Catholic Church Stephen E. Cavanaugh, 2011-01-01 The beginning of a specifically Anglican liturgy and culture within the Roman Catholic Church was established in the United Sates by Pope John Paul II Since then Anglican Use parishes have been worshipping in a distinctively Anglican style within several American dioceses Thanks to Pope Benedict XVI these communities are now able to form into personal ordinariates led by bishops who were previously Anglican clergy As a result even more Anglicans seeking full communion with Rome can find a home within the Catholic Church The twelve essays in this book discuss the reasons Anglicans have sought reconciliation with the Holy See while retaining elements of their own liturgy and traditions They explore the history and scope of Pope John Paul II s Pastoral Provision and Pope Benedict XVI s Apostolic Constitution and examine the needs of the new ordinariates if they are to flourish Also considered are the changes to the Roman liturgy since the Second Vatican Council and the specific patrimony that Anglicans bring to Catholic worship

History Peter-Ben Smit,2011-08-25 This study researches the historical development of the self understanding of the Old Catholic Churches of the Union of Utrecht and the Iglesia Filipina Independiente Throughout the 20th century both churches have been in a developing relationship with each other resulting in full communion in 1965 In the same time period both churches developed an ecclesiological self understanding in which an ecclesiology of the national church gradually gave way to an ecclesiology of the local church By outlining this development for each of these two churches and comparing the developments the study gives insight both into the individual development of the two churches involved and shows how these developments relate to each other In this way the study presents a new historical portrait of these churches and their self understanding
