The Book of Execution Geoffrey Abbott,1995 *The Book of Execution* Geoff Abbott,1994 **Handbook of Death and Dying** Clifton D. Bryant,2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage **The Death Penalty** James J. Megivern,1997 A comprehensive history of the death penalty in the West that provides more material on capital punishment in Western Christian history than is available in any other work in English Capital Punishment Bruce E. R. Thompson,2009-06-25 This volume provides an abundance of information on the history of capital punishment and ongoing opposition to it Author Bruce E R Thompson includes narratives on well known figures on both sides of the issue Various methods of execution are explained and their use placed in historical context Legal terminology important to the debate is defined and explained *Encyclopedia of Jewish Folklore and Traditions* Raphael Patai,2015-03-26 This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind *Fighting for the United States, Executed in Britain* Simon Webb,2021-07-21 This book relates a chapter of American military history which many people would rather forget When the United States came to the aid of Britain in 1942 the arrival of American troops was greeted with unreserved enthusiasm but unfortunately wartime sometimes brings out the worst as well as the best in people A small number of the soldiers abused the hospitality they received by committing murders and rapes against British civilians Some of these men were hanged or shot at Shepton Mallet Prison in Somerset which had been handed over for the use of the American armed forces Due to a treaty between Britain and America those accused of such offences faced an American court martial rather than a British civilian court which gave rise to some curious anomalies Although rape had not been a capital crime in Britain for over a century it still carried the death penalty under American military law and so the last executions for rape in Britain were carried out at this time in Shepton Mallet Fighting For the United States Executed in Britain tells the story of every American

soldier executed in Britain during the Second World War The majority of the executed soldiers were either black or Hispanic reflecting the situation in the United States itself where the ethnicity of the accused person often played a key role in both convictions and the chances of subsequently being executed Handbook of Reference Sources and Services for Small and Medium-Sized Libraries Margaret I. Nicholas,1996-07 Lists over 750 sources focusing on the reference needs of adults The primary objective was to select quality reference tools which cover many different topics Topics include general works biography philosophy religion language literature visual arts applied sciences sports and recreation home life social customs and education Theological Encyclopaedia and Methodology Revere Franklin Weidner,1886 Encyclopedia of World Religions Encyclopaedia Britannica, Inc.,2008-05-01 A guide to the religions of the world and to the concepts movements people and events that have shaped them It includes features such as entries on religious movements and concepts historical and legendary figures divinities religious sites and ceremonies images that show sacred places vestments rituals objects and texts and more **Public Executions** Nigel Cawthorne,2006-09-28 The sentence of this court is that you be taken from this place to whence you came and from there to a place of lawful execution there to be hanged by the neck till you be dead and may the Lord have mercy on your soul Extract from judicial death sentence England c 16th 20th century Societies throughout history have adopted many and varied methods of meting out the ultimate sanction of capital punishment to their more unruly members Although a number of countries across the globe still execute their own citizens on occasion in public the modern world in general views execution with distaste and public execution doubly so Public Executions documents the phenomenon of state sanctioned killing from the ancient world to modern times and in doing so shows that although we regard the ancient practices with horror they would have been equally bemused by our modern scruples and would have regarded execution behind closed doors as little short of murder Public Executions is a gruesomely enthralling account of public executions down through the ages and from around the world *Information Sources in the Social Sciences* David Fisher,Sandra Price,Terry Hanstock,2018-02-19 No detailed description available for Information Sources in the Social Sciences **Encyclopaedia Metropolitana, Or, Universal Dictionary of Knowledge: Pure sciences** Edward Smedley,Hugh James Rose,Henry John Rose,1845 **Encyclopedia of the Social Sciences** Edwin Robert Anderson Seligman,Alvin Saunders Johnson,1963 **Britannica Concise Encyclopedia** Encyclopaedia Britannica, Inc.,2008-05-01 Britannica Concise Encyclopedia is the perfect resource for information on the people places and events of yesterday and today Students teachers and librarians can find fast facts combined with the quality and accuracy that have made Britannica the brand to trust A tool for both the classroom and the library no other desk reference can compare **The Encyclopedia of Peace Psychology** ,2011-12-12 The Encyclopedia of Peace Psychology available online through Wiley Online Library or as a three volume print set is a state of the art resource featuring almost 300 entries contributed by leading international scholars that examine the psychological dimensions of peace and conflict studies First reference work to focus exclusively on
