**Victoria** Richard and Susan Wales, 2012-12-13 A flavour of this book This small disk is called Carmichael's Amulet and it commemorates the Diamond Jubilee of Queen Victoria by the dates 1837 and 1897 These are the dates of her 60 years reign To the right can be seen a mould that is carved from wood It seems to have been professionally made in a large block that is well finished and furnished with a hook for hanging up The mould may have produced butter pats or terrines for a Victorian celebration As well as the Diamond Jubilee dates it commemorates the Record Reign that Queen Victoria had achieved in 1896 after being monarch for longer than George III These images were taken by the authors as this book was being written and so they do not appear in the text which summarises an enormous variety of Diamond Jubilee souvenirs Inside you will find a unique view of Victoriana that was made to celebrate one event at the height of the powers of the British Empire The souvenirs will give you a glimpse into Victorian creative ingenuity as well as the thinking and beliefs of people in 1897
