Of Mormon Insights Volume Ii 2:

A Collection of Insights Flowing from The Book of Mormon Keith Thompson, 2023-11-25 This collection of insights about the Book of Mormon adds to and complements the author's legal publications about freedom of conscience evidence and comparative constitutional law The book includes insights distilled from contemporary anthropology careful analysis of the doctrine of resurrection taught in the Book of Mormon philosophical questions about the rule of law which inform life in contemporary society and how reflection on the pervasive New Testament intertextuality in the Book of Mormon should increase the knowledge of modern readers Important reading for scholars of religion and faith and particularly those interested in understanding the beliefs and practices of member of The Church of Jesus Christ of latter day Saints around the world

The Anatomy of Book of Mormon Theology, Volume Two Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Whereas the first volume principally contains essays that deal with relatively traditional theological questions and concerns the essays in this volume ask about what new worlds might be discovered in doing theological work on the Book of Mormon focusing on what Spencer calls microscopic and macroscopic theological readings of the text Essays in the first set examine no more than a verse of the Book of Mormon more often just a single phrase or two to see what theological implications lie within the details of the text The second set of essays ask questions about the shape and intentions of the whole of the Book of Mormon as this can be discerned through the ways it deploys biblical texts and especially the writings of Isaiah A third set of essays follows the two on microscopic and macroscopic styles of theology and are invitations to blur the boundaries that separate different styles of Book of Mormon scholarship These final essays call on Book of Mormon scholars to move closer to theology and calls on theologians to move closer to the Book of Mormon

Plain & Precious - Book of Mormon Commentary Volume Two: 2 Nephi Emily Christensen, 2017-09-30 Dr Emily Christensen joined the Church of Jesus Christ of Latter day Saints in 2009 She brings to her study of the Book of Mormon a unique perspective as a Jungian therapist as theological scholar and as a student of Hebrew Here Dr Christensen shares the fruits of that study offering fresh insight into scriptural characters language and doctrine while always building upon a firm testimony of the atonement of Jesus Christ PLAIN PRECIOUS BOOK OF MORMON COMMENTARY VOLUME TWO 2 NEPHI covers the period of the Book of Mormon between the arrival of Lehi's family in the promised land and the death of the prophet Nephi It explores divine covenants the teachings of Isaiah and much more Dr Christensen is also the author of the memoir KEEPING KYRIE *EGYPTIANISMS IN THE BOOK OF MORMON AND OTHER STUDIES* Robert F. Second Witness: Analytical and Contextual Commentary on the Book of Mormon Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon s setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon s purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God

Mason, Quincy D. Newell, 2013-03-18 Scholarship in Mormon studies has often focused on a few key events and individuals in Mormon history The essays collected by Quincy D Newell and Eric F Mason in this interdisciplinary volume expand the conversation One of the main purposes of this volume is to define and cross boundaries Part 1 addresses internal boundaries walls that divide some Mormons from others One chapter examines Joseph Smith's writings on economic matters and argues that he sought to make social distinctions irrelevant Another considers Jane James an African American Latter-day Saint and her experiences at the intersection of religious and racial identity In part 2 contributors consider Mormonism's influence on Pentecostal leader John Alexander Dowie and relationships between Mormonism and other religious movements including Methodism and Presbyterianism Other chapters compare Mormonism and Islam and examine the group Ex-Mormons for Jesus Saints Alive in Jesus Part 3 deals with Mormonism in the academy and the ongoing evolution of Mormon studies Written by contributors from a variety of backgrounds these essays will spark scholarly dialogue across the disciplines *Engraven Upon Plates, Printed Upon Paper* Brant A. Gardner, 2023-11-14 In *Engraven Upon Plates Printed Upon Paper* Textual and Narrative Structures of the Book of Mormon author Brant A Gardner delves into the intriguing layers of composition and historical context of the Book of Mormon While taking seriously the implications for what it means for this book of scripture to be a translation of an ancient record written by historical persons Gardner explores the translation process of the Book of Mormon analyzing three compositional layers the nineteenth-century text the Nephite Book of Mormon and the Nephite writers and their sources This work contributes to a deeper understanding of the origins and compositional history of the Book of Mormon without aiming to serve as an apologetic defense Praise for *Engraven Upon Plates Printed Upon Paper* Brant Gardner has long been at the head of Book of Mormon studies With his new book *Engraven Upon Plates Printed Upon Paper* he adds to his lengthy resume by deconstructing one of the more vexing issues in Book of Mormon studies namely how to understand the complicated relationship between the Nephite Gold Plates and the nineteenth-century English Book of Mormon Gardner provides careful analysis of by what means Joseph Smith may have translated the plates how the Nephite authors may have conceived their project and in what way those Nephite authors may have integrated their own sources into their record Any reader seeking a deeper insight into construction and realization of the Book of Mormon text will find much to admire in this project Nicholas J Frederick Associate Professor of Ancient Scripture Brigham Young University and author of *The Bible Mormon Scripture and the Rhetoric of Allusivity* Written as a companion to *The Plates of Mormon A Book of Mormon Study Edition Based on Textual and Narrative Structures in the English Translation* this volume bristles with insights gained through a detailed reading of the text It represents one of the

Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovah's Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovah's coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Church's distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of
