Snowed In with My Best Friend's Dad: An Age Gap, Secret Pregnancy, Christmas Romance Ajme Williams, 3 things I want to do to my best friend's dad: 1. Slap him for being a cold, domineering and rude prick. 2. Kiss him for being the hottest older man I've ever met. 3. Climb into his bed when we're snowed in for Christmas. I never meant to hookup with my best friend's dad. But when we're forced together during the merriest time of the year, I end up falling into his bed and into his heart. He may be a jerk, but Brett McKinnon is also totally irresistible. And off-limits forever. My friend would never forgive me for sleeping with her father. Much less if she found out our heated encounter left me pregnant with Brett's baby. A man who is old enough to be my father. I grew up with nothing and worked hard for everything in my life. This surprise pregnancy feels like a curse destined to ruin my life along with Brett's. That's why I'm never ever telling him.

SNOWED IN WITH BEST FRIEND'S DAD is a full-length standalone spicy age-gap romance complete with a secret pregnancy and a Christmas theme. Fall in love with an older alpha hero and his powerful young match. Seasons greetings.

Beyond the Postcard: Deep Travel Writing Dylan Hill, There's a certain allure to the postcard image of travel: sun-drenched beaches, towering mountains, vibrant markets overflowing with exotic goods. These picturesque scenes capture a fleeting glimpse of a place, a snapshot frozen in time. But beyond the postcard lies a world of hidden stories waiting to be discovered. It's the

whispered tales of ancient civilizations etched into the stones of crumbling temples the rhythm of daily life in bustling street markets the traditions passed down through generations and the stories etched in the faces of the people who call these places home For too long traditional travel writing has relied on surface level descriptions offering superficial glimpses of destinations without delving deeper into their cultural richness historical context or the complexities of human experience This approach while offering a sense of adventure and escapism often fails to capture the true essence of a place leaving readers with a limited understanding of its soul This book challenges the conventional approach to travel writing urging writers to move beyond postcard perfect images and embrace a more meaningful and authentic style of storytelling It s a call to action to delve into the heart of destinations to uncover the hidden stories that shape their identity and to connect with the people who make those stories come alive Deep travel writing is about engaging with the world on a deeper level about exploring the nuances of culture the echoes of history and the shared experiences that bind us all It s about understanding the world through the eyes of the people who inhabit it about listening to their stories and about weaving those stories into narratives that resonate with readers and offer a deeper understanding of our interconnected world This book will serve as your guide on this journey We will explore the principles of deep travel writing from researching destinations beyond the surface to crafting immersive narratives that capture the essence of a place We will learn how to observe listen and connect with the world in a way that transcends superficiality and delves into the heart of human experience Whether you are an aspiring or seasoned travel writer a journalist a blogger or simply someone with a passion for exploring the world this book will provide you with the tools and inspiration you need to embark on your own journey of deep travel writing It s a journey that promises to enrich your experiences deepen your understanding of the world and empower you to tell stories that matter
