Your Federal Income Tax for Individuals, 2011 **The to Z of You and Me** James Hannah, 2015-03-12 AN OBSERVER NEW FACE OF FICTION 2015 AN AMAZON RISING STAR 2015 Genuinely one of the best books I've read ever read LISA JEWELL Spare poignant and with a quirky charm all of its own it reminds us how kind people can be RACHEL JOYCE Absolutely bloody heartrending Hannah's eccentric style is never mawkish and often wonderfully funny THE TIMES Hannah writes with emotional acuity Warm wry thoughtful and devastating in places this is a life enhancing missive from death's door THE SUNDAY TIMES A striking literary debut of love and mortality perfect for fans of quirky heart wrenching fiction like Nathan Filer David Nicholls and Rachel Joyce Ivo has all kinds of everyday joy in his life he's young he's in love he has friends who promise to stand by him if life ever goes wrong Then one day life does go wrong He makes a mistake and it's big and unforgiveable Now time is running out and his life is falling apart But he's going to put it together again His own way This is a story about how far love must stretch to gather a life in pieces And how strong friendship never dies Because of You: Understanding Second-Person Storytelling Evgenia Iliopoulou, 2019-03-21 Second person storytelling is a continually present and diverse technique in the history of literature that appears only once in the oeuvre of an author Based on key narratives of the post war period Evgenia Iliopoulou approaches the phenomenon in an inductive way starting out from the essentials of grammar and rhetoric and aims to improve the general understanding of second person narrative within literature In its various forms and typologies the second person amplifies and expands the limits of representation thus remaining a narrative enigma a small narrative gesture with major narrative impact When I Think of You Myah Ariel, 2024-04-16 In this sweeping second chance romance from debut author Myah Ariel the unexpected spark of two former flames may force them to choose between their dreams and each other Kaliya Wilson has paid her dues But all the years behind the reception desk at a flashy film studio have only pushed her movie making dreams further out of reach That is until a surprise reunion presents an opportunity that could make her career or break her heart a second time It's been seven years since Kaliya's whirlwind college romance with Danny Prescott went up in flames While her passions have stalled his career is taking off So when the hot shot director reappears to offer her a job on his next production it's a shock to the system Working with Danny may recapture the intensity of their film school days but trusting him again won't come as easily As the pair allows themselves the openness and vulnerability to entrust their deepest truths to each other the possibility of a true connection draws ever closer But when Hollywood politics and scandal threaten to sink the production and her career Kaliya may have to risk everything to do what's right even if it means letting go of the second chance love of a lifetime
