Wages of Violence Thomas Blom Hansen, 2018-06-05 When Bombay changed its name to Mumbai in 1995 it was the culmination of a long process that transformed India's primary symbol of modernity and cultural diversity into a site of intense ethnic conflict and violent nationalism *Wages of Violence* is a startling account of how the city's atmosphere dominant public languages and power structures have changed since the 1960s The book centers on how Shiv Sena a militant Hindu movement has advanced a new plebeian political culture and has undermined democratic rule in India's premier city Drawing on a large body of archival material and conversations with people from all walks of life Thomas Blom Hansen paints a vivid picture of this dynamic and violent movement Challenging conventional views of recent trends in Indian politics Hansen shows that the xenophobic public culture of today's Mumbai has deep roots in the region's history and its contested identities We are also given revealing insights into the city's Muslim communities and the authorities understanding and control of the ethno religious subcultures in the city Hansen argues cogently that Shiv Sena's success represents the violent possibilities of the vernacularization of democracy in India Unfolding at a juncture where the globalization of India's economy is having a deepening impact on the lives of ordinary people this is a story that resonates with the directions urban growth is taking both elsewhere in India and beyond Focus on English Hans-Georg Wolf, 2008

Blackford, 2014-08-12 This is the heart warming story of a backward boy coming from a dysfunctional family and a broken home Unable to talk at age four he was sent to a boarding school to learn to speak Branded a moron and dragged through ten schools in seven years he suddenly finds his feet and becomes dux of one of India's most prestigious colleges Later he becomes an officer in one of the Indian Army's most famous regiments and Adjutant of its premier battalion Laugh at his misfortunes and exult in his successes At age four he barely escapes a kidnap attempt he travels to boarding school on the world's most famous railway Darjeeling's toy train which was once chased by a wild elephant Accompany the author as he goes to catch a monkey and shoot a panther and as his Brigade confronts the Russians over possession of the Iranian oilfields and he reads fairy tales to a blood thirsty Pathan warrior who asks if the stories are true Feel the desperation of millions as murder and mayhem stalk the Indian sub continent See the refugee trains ushered in by the granting of independence to India in 1947 when inter communal violence spawned ten million refugees overnight and one million hapless men women and

children were slaughtered *Passport India* Manoj Joshi,1997 Comprehensive guide to the culture etiquette and communication of India India Shashi Tharoor,2012-07-31 India From Midnight to the Millennium and Beyond is an eloquent argument for the importance of India to the future of the industrialized world Shashi Tharoor shows compellingly that India stands at the intersection of the most significant questions facing the world today If democracy leads to inefficient political infighting should it be sacrificed in the interest of economic well being Does religious fundamentalism provide a way for countries in the developing world to assert their identity in the face of Western hegemony or is there a case for pluralism and diversity amid cultural and religious traditions Does the entry of Western consumer goods threaten a country s economic self sufficiency and is protectionism the only guarantee of independence The answers to such questions will determine what the nature of our world is in the twenty first century And since Indians account for almost one sixth of the world s population today their choices will resonate throughout the globe Shashi Tharoor deals with this vast theme in a work of remarkable depth and startling originality combining elements of political scholarship personal reflection memoir fiction and polemic all illuminated in vivid and compelling prose From Sea to Sea Rudyard Kipling,2006-04-01 This collection of notes and essays on Kipling s world travels reveals a man bursting with self deprecating wit keen observational powers and an intelligent awareness of his own cultural biases and prejudices First published in 1899 this volume serves as a delightful reminder of Kipling s genius **The Boatman: An Indian Love Story** John Burbidge,2015-03-01 The six years John Burbidge spent in India as a community development worker changed him in many ways but one stands out from all the rest It led him to confront a deeply personal secret his attraction to his own sex After taking the plunge with masseurs on a Bombay beach he found himself on a rollercoaster ride of sexual adventuring A complicating factor in his journey of self discovery was the tightly knit community in which he lived and worked with its highly regimented schedule and minimal privacy that forced him to live a double life Written with passion integrity and humour The Boatman is packed with incident anecdote adventure and above all real and memorable people Burbidge takes hold of India as few have done before deftly interweaving the search for selfhood with an intimate exploration of Indian life and society His story shows us how when we dare to immerse ourselves in a culture radically different from our own we may discover parts of ourselves we never knew existed My Mother's Spice Cupboard Elana Benjamin,2018-11-01 My Mother s Spice Cupboard is the true story of the author s Sephardi Jewish family s migration from Baghdad to Bombay now Mumbai to Sydney Unlike most other Australian Jews her parents were born and grew up in Bombay and her grandparents came from Iraq Burma and India Her father s family immigrated to Sydney her mother s to Los Angeles both in the 1960s They married in Sydney and raised their family there alongside the father s many brothers and sisters and members of their former Bombay community Despite being Jewish her upbringing was greatly influenced by the food language and culture of India and to a lesser extent Iraq My Mother s Spice Cupboard is the story of what happened to a community which no longer exists how its members built new lives in a

different country and what it was like to grow up as one of their children It s also about how much things have changed over four generations in one family The author s grandparents arranged marriage produced nine children both her parents grew up within the confines of Bombay s insular Baghdadi Jewish community whereas she grew up as a first generation Australian in Sydney Her children s lives are underpinned by the differing Jewish traditions of her family and her husband s family The themes underlying the story are those of family and community versus individuality choice versus obligation and tradition versus modernity And underlying the entire narrative is the importance of food and cooking which goes beyond the mere provision of sustenance to express warmth love and hospitality

The Oriental, the Ancient and the Primitive Jack Goody,1990-02-08 Continuing the comparative survey of pre industrial family formation undertaken in *The Development of Family and Marriage in Europe* 1983 Professor Goody

looks in depth at kinship practice in Asia His findings cause him to question many traditional assumptions about the primitive East and he suggests that in contrast to pre colonial Africa kinship practice in Asia has much in common with that prevailing in parts of pre industrial Europe Goody examines the transmission of productive and other property in relation both to the prevailing political economy and to family and ideological structures and explores the distribution of mechanisms and strategies of management across cultures The book concludes that notions of western uniqueness are often misplaced and that much previous work on Asian kinship has been unwittingly distorted by the application of concepts and approaches derived from other inappropriate social formations *Words: Structure, Meaning, Function* Christiane
