Bonhoeffer Exile And Martyr:

Bonhoeffer, Exile and Martyr Eberhard Bethge, 1975 *The Cambridge Companion to Dietrich Bonhoeffer* John W. de Gruchy, 1999-05-13 This Companion serves as a guide for readers wanting to explore the thought and legacy of the great German theologian Dietrich Bonhoeffer 1906-45 The book shows why Bonhoeffer remains such an attractive figure to so many people of diverse backgrounds Its chapters written by authors from differing national theological and church contexts provide a helpful introduction to and commentary on Bonhoeffer's life work and writing and so guide the reader along the complex paths of his thought Experts set out comprehensively Bonhoeffer's political social and cultural contexts and offer biographical information which is indispensable for the understanding of his theology Major themes arising from the theology and different interpretations to it lead the reader into a dialogue with this most influential of thinkers who remains both fascinating and challenging There is a chronology a glossary and an index *Notes on Bethge's Bonhoeffer, Exile and Martyr* John D. Godsey, *Fools, Martyrs, Traitors* Lacey Baldwin Smith, 2012-05-09 In this engrossing exploration of martyrdom Lacey Baldwin Smith takes us on a riveting journey through history as he examines one of the most baffling characteristics of the human species its willingness to die to sanctify a deity to defend a cause or simply to prove a point In telling the stories of his chosen martyrs by delving into their psyches politics and remarkable personalities he illuminates the complex and elusive subject of martyrdom as it has evolved over two and a half millennia The story starts with Socrates the Western world's first recorded martyr and moves on to Judaic and early Christian martyrs the Maccabees and their heroic suffering Jesus of Nazareth and the impact of the crucifixion on his message and Saint Perpetua who died spectacularly in a Roman amphitheater The narrative then transports us to England to Archbishop Thomas Becket and his sensational murder at the altar of his own cathedral in Canterbury to Sir Thomas More who died Henry VIII's good servant but God's first to the Protestant martyrs under Catholic Mary Tudor and to Charles I the only English king to be tried and executed as a traitor The concluding chapters cover modern martyrdom as it has become increasingly secularized and entangled with treason They include John Brown whose body lies mouldering in the grave but whose soul goes marching on Mahatma Gandhi and his school for martyrs the Holocaust and its impact on modern Jewish thought Dietrich Bonhoeffer and the unsuccessful attempts to assassinate Hitler and Julius and Ethel Rosenberg's execution for giving secret information about the atomic bomb to the USSR The book ends with the troubling figure of SS Lieutenant Kurt Gerstein and the ultimate question Is there such a person as a totally disinterested martyr Fools and traitors to some heroes to others all the men and women who appear here have helped shape our definition of martyrdom The questions Lacey Baldwin Smith raises and the way he brings the past to life make this a uniquely compelling book **Dietrich Bonhoeffer's Letters and Papers from Prison** Martin E. Marty, 2020-02-25 For fascination influence inspiration and controversy Dietrich Bonhoeffer's *Letters and Papers from Prison* is unmatched by any other book of Christian reflection written in the twentieth century A Lutheran pastor and

theologian Bonhoeffer spent two years in Nazi prisons before being executed at age thirty nine for his role in the plot to kill Hitler Ever since it was published in 1951 *Letters and Papers from Prison* has had a tremendous impact on Christian and secular thought and has helped establish Bonhoeffer's reputation as one of the most important Protestant thinkers of the twentieth century In this the first history of the book's remarkable global career writer Martin Marty tells how and why *Letters and Papers from Prison* has been read and used in such dramatically different ways from the Cold War to today

Aliens in Your Native Land Warner M. Bailey, 2020-07-24 Living as an alien in one's native land is a familiar reality to marginalized communities Cultural economic and political shifts can cause people to become alienated by a system of greed racism sexism xenophobia and media manipulation How can Christians persist under a sustained threat within a social order diametrically opposed to them This question drives Warner Bailey's investigation of 1 Peter The mature Christology of 1 Peter yields a profile of Christian identity This picture is funded by texts from the Book of the Twelve Hosea Malachi and is counter intuitive in that it is able to create new initiatives for behavior that offer hope for redemption in the midst of oppression Bailey explores how 1 Peter has been used in shaping the life of modern aliens such as Dietrich Bonhoeffer living in his own country under the oppression of Nazism and feminist black immigrant and LGBTQIA readers Placing 1 Peter within the crisis in U S political and economic life opens up fresh implications for faithful ecclesiastical practice and personal witness

The Bonhoeffer Legacy Stephen R. Haynes, Stephen Haynes whose volume *The Bonhoeffer Phenomenon* probed the many conflicting ways in which Bonhoeffer has been understood by Christians for their own uses now brings new clarity to the vexed and controversial question of Bonhoeffer's relationship to Jews and the Jewish people Haynes's text analyzes the historical record and Bonhoeffer's maturing theology and offers an analysis of Bonhoeffer himself his work and his legacy for a generation learning from the Holocaust

BOOK JACKET

Wayfinding with Dietrich Bonhoeffer Joseph L. Thomas, Jonathan D. King, 2024-11-07 Picking up a fresh metaphor from the field of urban planning *Wayfinding with Dietrich Bonhoeffer* applies a wayfinding lens to consider how Bonhoeffer might be a wayfinder for followers of Christ today *Wayfinding* provides an accessible entry point into Bonhoeffer's biography and body of work for any reader desiring to learn from the historical witness of a thoughtful dynamic and focused German pastor scholar who took a courageous early and long suffering stand against the powers of Nazism King and Thomas travel with Bonhoeffer off the beaten path and into the kingdom of God considering six selected themes from Bonhoeffer's dynamic brief life with import for contemporary Christians With wayfinding cues and questions to help guide readers deeper into the territory of Bonhoeffer's example *Wayfinding* invites readers to learn the skills of weaving together the past present and

future to inhabit the present with faithfulness to Christ in our cultural moment **The Bonhoeffer Phenomenon** Stephen R. Haynes, 2004 Stephen Haynes's provocative study articulates the many motives and agendas that readers and scholars have brought to their study of Bonhoeffer making it difficult to assess objectively the relationship of his political and religious commitments the real meaning of his theology and his words and actions on behalf of Jews Reading Haynes's book helps us learn not only what Bonhoeffer has to teach us but also what it is we most desire to learn **The Reluctant Revolutionary** John A. Moses, 2009-04-01 Dietrich Bonhoeffer was a uniquely reluctant and distinctly German Lutheran revolutionary In this volume the author an Anglican priest and historian argues that Bonhoeffer's powerful critique of Germany's moral derailment needs to be understood as the expression of a devout Lutheran Protestant Bonhoeffer gradually recognized the ways in which the intellectual and religious traditions of his own class the *Bildungsbürgertum* were enabling Nazi evil In response he offered a religiously inspired call to political opposition and Christian witness which cost him his life The author investigates Bonhoeffer's stance in terms of his confrontation with the legacy of Hegelianism and Neo-Rankeanism and by highlighting Bonhoeffer's intellectual and spiritual journey shows how his endeavor to politically reeducate the German people must be examined in theological terms **A Theological Odyssey** John W. De Gruchy, 2014-09-01 John de Gruchy is one of the greatest and most respected South African theologians of the past five decades His work has left an indelible mark on both the South African and international theological landscapes In this book he describes his theological journey revisiting core themes periods and sources This is an enriching read as De Gruchy engages with some of the greatest theologians in the history of the church notably John Calvin Karl Barth Karl Rahner Dietrich Bonhoeffer and Reinhold Niebuhr as well as with a wide selection of his fellow South African theologians Cas Wepener *Pacifism, Just War, and Tyrannicide* David M. Gides, 2012-03-02 Dietrich Bonhoeffer's perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer's theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer's political thinking and action with his understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer's malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking **Mystics in Action** Epperly, Bruce G., 2020-12-16 Portrays the lives and experiences of twelve mystical

activists exploring their worldview and spirituality and their relationship to social transformation

Human Struggle Mona Siddiqui, 2021-08-25 The first comparative work to explore how humankind seek out the meaning of life amid suffering and struggle

Preface to Bonhoeffer John D. Godsey, 2015-12-22 This volume presents two of Bonhoeffer's writings that are vital to understanding his life and thought The first Thy Kingdom Come is a passionate lecture delivered in 1932 a year before he left Germany in protest of Nazism The First Table of the Ten Commandments written twelve years later from a Nazi prison is a mature and insightful study of the first three commandments

Poetry, Providence, and Patriotism Joel Burnell, 2010-01-01 Polish messianism tells the story of a nation struggling to survive and regain its independence As narrated by the poets Jan Paweł Woronicz and Adam Mickiewicz its vision of patriotism and civil responsibility first told two hundred years ago contains promising resources today for a world facing challenged by pluralism secularization nationalism and religious fundamentalism Yet this messianism has a dark side The romantic philosophy of history that funded this messianism proved an inadequate defense against Prussian and Russian military might and failed to inoculate Poles against the rising spirit of nationalism xenophobia and anti-Semitism that swept Europe in the nineteenth and twentieth centuries In seeking to address the problematic and promising feature of Poland's particular messianism Burnell draws up on the theology of Dietrich Bonhoeffer arguing that his theology offers a much needed critique of the myths and values of romantic national messianism Where such messianism asks how Christ could serve a nation's cause and freedom Bonhoeffer declared that by it is by following Christ in discipleship that people and nations become truly free Recently a new wave of Polish religio-political fundamentalism has appeared as a response to the rapid secularization of society since the end of the Cold War Certain members of the Polish clergy have again joined conservative politicians to promote nationalistic populist xenophobic and anti-Semitic attitudes Bonhoeffer in contrast argued for leaders who ennoble and empower those they serve and modeled how patriots can honor their nation's achievements while freely confessing its failures His legacy facilitates dialogue and reconciliation in the ongoing struggle against ethnic religious and national bigotry Following his lead the messianic myth of Poland the Christ of the nations can be recast as a call to follow the One who is God for us and the man for others by

standing with the suffering by speaking for the disenfranchised and serving alongside other nations in the cause of freedom and justice

The Theology of Paul in Three Dimensions Richard H. Bell, 2022-09-29 Paul of Tarsus the Pharisee who tried to destroy the church of God experienced a conversion to faith in Jesus Christ that was to turn his life upside down and lead to his becoming one of the greatest missionaries and theologians of all time His theology is highly controversial and has both inspired and appalled his listeners Richard Bell presents the major themes in Paul's theology and also asks what he got right what he got wrong and what in his theology needs reinterpreting for the twenty first century The book thereby shows the ongoing relevance of Paul's thought for today To accompany this volume a website of music designed to add an experiential dimension in discovering Paul's message for the world can be found at richardhbell.co.uk
