through their iron will Zen like emotional control and clan building social skills Today in a world that focuses on instant gratification and self indulgence the Way of the Samurai is a challenging path to follow but will bring huge rewards to anyone who commits to it Packed with full of activities and tips this samurai manual will show you how to use the techniques of the famous Japanese warriors in the modern world Learn how to control your mind and your emotions use hard work and dedication to perfect your art build a network of loyal supporters rise to leadership level in your field and become unstoppable in the pursuit of your goals The samurai of history were elite men but gender and social standing have no relevance to the Way of the Samurai today All you need is fierce determination to become the best possible version of yourself

*The Art and Philosophy of the Garden* David E. W. Fenner, Ethan Fenner, 2024 In T The Art and Philosophy of the Garden philosopher David Fenner and botanist Ethan Fenner examine the philosophical ideas lying behind one of the most universal human activities They strip away our assumptions and take a close look at gardens starting with a definition of what a garden is and argue for a particularly way of understanding their aesthetic properties Fenner and Fenner make the case that many gardens have a claim to being legitimate works of art Their comprehensive and accessible discussion contributes to the resurgence of the theory of gardens and gardening and will also interest any thoughtful person who cares about gardens
