## **Boogers Are My Beat:**

Lessons From Lucy Dave Barry, 2020-11-03 In this little gem Washington Independent Review of Books Pulitzer Prize winning columnist and New York Times bestselling author Dave Barry learns how to age happily from his old but joyful dog Lucy As Dave Barry turns seventy not happily he realizes that his dog Lucy is dealing with old age far better than he is She has more friends fewer worries and way more fun So Dave decides to figure out how Lucy manages to stay so happy to see if he can make his own life happier by doing the things she does except for drinking from the toilet He reconnects with old friends and tries to make new ones which turns out to be a struggle because Lucy likes people a lot more than he does And he gets back in touch with two ridiculous but fun groups from his past the Lawn Rangers a group of guys who march in parades pushing lawnmowers and twirling brooms alcohol is involved and the Rock Bottom Remainers the world's oldest and least talented all author band With each new lesson Dave riffs hilariously on dogs people and life in general while also pondering Deep Questions such as when it's okay to lie Answer when scallops are involved Lessons From Lucy shows you a new side to Dave Barry that's touching and sentimental but there's still a laugh on every page The Sacramento Bee The master humorist has written a witty and affable guide to joyous living at any age *Class Clown* Dave Barry, 2025-05-13 America's most beloved wiseass finally tells his life story with all the humor you'd expect from a man who made a career out of making fun of pretty much everything How does the son of a Presbyterian minister wind up winning a Pulitzer Prize for writing a wildly inaccurate newspaper column read by millions of people In *Class Clown* Dave Barry takes us on a hilarious ride starting with a childhood largely spent throwing rocks for entertainment there was no internet and preparing for nuclear war by hiding under a classroom desk After literally getting elected class clown in high school he went to college where as an English major he read snippets of great literature when he was not busy playing in a rock band it was the sixties He began his journalism career at a small town Pennsylvania newspaper where he learned the most important rule of local journalism never confuse a goose with a duck His journey then took a detour into the business world where as a writing consultant he spent years trying with limited success to get corporate folks to for God's sake get the point Somehow from there he wound up as a humor columnist for The Miami Herald where his boss was a wild man who encouraged him to write about anything that struck him as amusing and to never worry about alienating anyone His columns were not popular with everyone He managed to alienate a vast army of Neil Diamond fans and the entire state of Indiana But he also developed a loyal following of readers who alerted him to the threat of exploding toilets not to mention the fire hazards posed by strawberry pop tarts and Rollerblade Barbie which he demonstrated to the nation on the David Letterman show He led his readers on a crusade against telemarketers that ultimately caused the national telemarketers association to stop answering its own phones because it was getting irony alert too many unwanted calls He has also run for president multiple times although so far without success He became a book author and joined a literary rock band which was not good at playing music but did once

perform with Bruce Springsteen who sang backup to Dave As for his literary merits Dave writes I ll never have the critical acclaim of say Marcel Proust But was Marcel Proust ever on Carson Did he ever steal a hotel sign for Oprah Class Clown isn t just a memoir it s a vibrant celebration of a life rich with humor absurdity joy and sadness Dave says the most important wisdom imparted by his Midwestern parents was never to take anything too seriously This laughter filled book is proof that he learned that lesson well
