This is Our Writing T. F. Rigelhof, 2000 Punctuate his title as you like but T F Rigelhof considers *This is Our Writing* a declaration an enquiry and an exclamation As a writer of half a dozen a reviewer of dozens upon dozens and as a reader of a multitude more books Terry Rigelhof knows much about writing in Canada In these eleven essays he asks what is best in what has been written by Canadians in the twentieth century He examines selected works of some writers whose accomplishments need serious revaluation What are the real achievements of Robertson Davies Carole Corbeil Mavis Gallant Mordecai Richler Hugh Hood Leonard Cohen and George Grant Rigelhof comes up with a list that will surprise some and dismay others This is a book for readers who have always known in their heart of hearts that Robertson Davies was an egregious windbag and that underneath the inspired silliness of their carefully contrived and managed public images Mordecai Richler and Leonard Cohen have produced three of the most intelligent novels we have In a sequence of interlocking personal essays Rigelhof explores living a writerly life in Canada at the end of the twentieth century The text is fortified by a dozen photographs all but one previously unpublished by Gabor Szilasi one of Canada's greatest active documentary photographers

important on line resources Musical activity in Canada has developed remarkably in the past 50 years with a parallel growth of musical scholarship examining historical social and ethnological aspects of Canadian musical life This Guide is the first to draw comprehensively on the wealth of studies now available which are often dispersed and not easily located Consequently this information is invaluable to students and researchers interested in Canadian music the music of North America and Canadian studies Index Journeys to the Bandstand Chris Wong,2024-01-19 What I didn't know when starting to research and write this book I would become full on hopelessly obsessed with finding out every arcane detail about the artists gathered in these pages whether they are living or long gone Those myriad facts are puzzle pieces that even though some pieces are missing form portraits of extraordinary people with a hunger for jazz and other creative artforms a determination to overcome struggles and a deep joy for creating profound expression Chris Wong from the Preface and Introduction to Journeys to the Bandstand Journeys to the Bandstand Thirty Jazz Lives in Vancouver chronicles the creative lives and musical journeys of thirty extraordinary artists who have helped shape the jazz scene in the west coast Canadian city and further afield Each chapter focuses on one remarkable artist or a small group of impactful musicians mostly based in Vancouver Al Neil Dave Quarin Brad Turner Cory Weeds Jodi Proznick Natasha D Agostino and others The book also highlights some American musicians Ornette Coleman Charles Mingus Dr Lonnie Smith George Coleman and others who have made an indelible impression on the city's jazz community Weaving a first person perspective through the author's experiences hearing the musicians perform and documenting oral history from in depth interviews with extensive written and audio visual history gathered from articles letters recordings films and more Journeys to the Bandstand is a compelling collection of long form portraits The unique life stories of each subject include challenges addictions anxiety and self doubt racism abuse and other hard realities and triumphs when they succeeded in making expressive and memorable music Each individual path forms a complex and fascinating passage the journey to the bandstand **Soundin' Canaan** Paul db Watkins,2025-01-21 Part exploration of a key group of Black Canadian poets part literary cultural and musical history Soundin Canaan demonstrates how music in Black Canadian poetry is not solely aesthetic but a form of social ethical and political expression Soundin Canaan refers to the code name often used for Canada during the Black migration to Canada The book analyzes the contributions of key Black Canadian poets including their poetic styles and their performances The book has several key objectives including recuperating the collision of the historical and the Biblically derived figure of Canaan the promised land of freedom and security for an African American population seeking to leave the shackles of slavery behind and the northern terminus of the underground railroad Centering around the poetry of George Elliott Clarke Dionne Brand M NourbeSe Philip Wayde Compton and rapper K naan it delves into how these poets draw inspiration from African American and Afro diasporic musical genres such as blues jazz reggae and dub hip hop and remix to reshape the notions of identity and citizenship Soundin Canaan asks what does Canadian citizenship sound like especially when voiced by Black Canadian poets who

embrace a fluid and multicultural form of citizenship that moves between local and global spaces much like music does Using a DJ Methodology the author mixes in close readings of poetry music cultural and literary history as well as various interviews with the poets The book includes an accompanying soundtrack to further enhance the reading experience Listening to the poets in this book that is in listening closely to the poems sounds and musical samples they bring into the mix constitutes sonic citizenship This co performative act of reading listening and sounding serves as a reminder of how citizens inhabit and negotiate life in Canada beyond the formal legal framework of the nation state Jazz Eddie S. Meadows, 2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade Live at The Cellar Marian Jago, 2018-10-15 In the 1950s and 60s co operative jazz clubs such as Vancouver s Cellar Edmonton s Yardbird Suite and Halifax s 777 Barrington Street opened their doors in response to new forms of jazz expression emerging after the war and a lack of available performance spaces outside major urban centres Operated on a not for profit basis by the musicians themselves these hip new clubs created spaces where young jazz musicians could practise their art close to home Live at the Cellar looks at this unique period in the development of jazz in Canada Centered on Vancouver s legendary Cellar club and including co ops in four other cities it explores the ways in which these clubs functioned as sites for the performance and exploration of jazz as well as magnets for countercultural expression in other arts such as literature theatre and film Marian Jago s deft combination of new original research with archival evidence interviews and photographs allows us to witness the beginnings of a pan Canadian jazz scene as well as the emergence of key Canadian jazz figures such as P J Perry Don Thompson and Terry Clarke and the rise of jazz icons such as Paul Bley and Ornette Coleman Although the Cellar and other jazz co ops are long shuttered in their day they created a new and infectious energy that still reverberates in Canada s jazz scene today *Coda Magazine* ,1995 The Oxford Companion to Jazz Bill Kirchner, 2005-07-14 Essays cover major historical trends and figures discuss jazz in different countries review the role of most instruments and consider the place of jazz in other arts like dance literature and film N Y Times Book Rev This work is an effective single volume device leading current listeners to the music while including enough newer scholarship to retain the interest of connoisseurs Libr J Global Jazz Clarence Bernard Henry, 2021-08-30 Global Jazz A Research and Information Guide is an annotated bibliography that explores the global impact of jazz detailing the evolution of the African
