Bibliography Robert Ford, 2008-03-31 A Blues Bibliography Second Edition is a revised and enlarged version of the definitive blues bibliography first published in 1999. Material previously omitted from the first edition has now been included and the bibliography has been expanded to include works published since then. In addition to biographical references, this work includes entries on the history and background of the blues, instruments, record labels, reference sources, regional variations, and lyric transcriptions and musical analysis. The Blues Bibliography is an invaluable guide to the enthusiastic market among libraries specializing in music and African American culture and among individual blues scholars. Cataloging Policy and Support Office, 2006. **"Who Set You Flowin'?"** Farah Jasmine Griffin, 1996-09-26 Twentieth century America has witnessed the most widespread and sustained movement of African Americans from the South to urban centers in the North. *Who Set You Flowin'* examines the impact of this dislocation and urbanization, identifying the resulting Migration Narratives as a major genre in African American cultural production. Griffin takes an interdisciplinary approach with readings of several literary texts, migrant correspondence, painting, photography, rap music, blues, and rhythm and blues. From these various sources, Griffin isolates the tropes of Ancestor, Stranger, and Safe Space, which though common to all Migration Narratives, vary in their portrayal. She argues that the emergence of a dominant portrayal of these tropes is the product of the historical and political moment, often challenged by alternative portrayals in other texts or artistic forms, as well as intra-textually. Richard Wright's bleak yet cosmopolitan portraits were countered by Dorothy West's longing for Black Southern communities. Ralph Ellison, while continuing Wright's vision, reexamined the significance of Black Southern culture. Griffin concludes with Toni Morrison embracing the South as a site of African American history and culture, a place to be redeemed. **Library of Congress Subject Headings** Library of Congress, Library of Congress. Murphy, 2024-07-23 The product of a hardscrabble childhood, J Mayo Ink Williams parlayed an Ivy League education into unlikely twin careers as a foundational producer of Black music and pioneering Black player in the early NFL. Clifford R. Murphy tells the story of an ambitious, upwardly mobile life affected but never daunted by white society's racism or the Black community's class tensions. Williams caroused with Paul Robeson, recorded the likes of Ma Rainey and Blind Lemon Jefferson, and lined up against Chicago Bears player-coach George Halas. Though resented by the artists he exploited, Williams combined a rock-solid instinct for what would sell with an ear for music that put him at the forefront of finding, recording, and blending blues and jazz. Murphy charts Williams's wide-ranging accomplishments while providing portraits of the cutthroat recording industry and the possibilities, however constrained, of Black life in the 1920s and 1930s. Vivid and engaging, *Ink* brings to light the extraordinary journey of a Black businessman and athlete.
