Bon Appétit ,2005-07 **Foodies** Josee Johnston,Shyon Baumann,2014-12-19 This important cultural analysis tells two stories about food The first depicts good food as democratic Foodies frequent hole in the wall ethnic eateries appreciate the pie found in working class truck stops and reject the snobbery of fancy French restaurants with formal table service The second story describes how food operates as a source of status and distinction for economic and cultural elites indirectly maintaining and reproducing social inequality While the first storyline insists that anybody can be a foodie the second asks foodies to look in the mirror and think about their relative social and economic privilege By simultaneously considering both of these stories and studying how they operate in tension a delicious sociology of food becomes available perfect for teaching a broad range of cultural sociology courses Tampa Bay Magazine ,1999-09 Tampa Bay Magazine is the area s lifestyle magazine For over 25 years it has been featuring the places people and pleasures of Tampa Bay Florida that includes Tampa Clearwater and St Petersburg You won t know Tampa Bay until you read Tampa Bay Magazine *Tampa Bay Magazine* ,1997-03 Tampa Bay Magazine is the area s lifestyle magazine For over 25 years it has been featuring the places people and pleasures of Tampa Bay Florida that includes Tampa Clearwater and St Petersburg You won t know Tampa Bay until you read Tampa Bay Magazine Tampa Bay Magazine ,2000-11 Tampa Bay Magazine is the area s lifestyle magazine For over 25 years it has been featuring the places people and pleasures of Tampa Bay Florida that includes Tampa Clearwater and St Petersburg You won t know Tampa Bay until you read Tampa Bay Magazine Tampa Bay Magazine ,2000-01 Tampa Bay Magazine is the area s lifestyle magazine For over 25 years it has been featuring the places people and pleasures of Tampa Bay Florida that includes Tampa Clearwater and St Petersburg You won t know Tampa Bay until you read Tampa Bay Magazine **Tampa Bay Magazine** ,2012-01 Tampa Bay Magazine is the area s lifestyle magazine For over 25 years it has been featuring the places people and pleasures of Tampa Bay Florida that includes Tampa Clearwater and St Petersburg You won t know Tampa Bay until you read Tampa Bay Magazine The Global Japanese Restaurant James Farrer,David L. Wank,2023-05-31 With more than 150 000 Japanese restaurants around the world Japanese cuisine has become truly global Through the transnational culinary mobilities of migrant entrepreneurs workers ideas and capital Japanese cuisine spread and adapted to international tastes But this expansion is also entangled in culinary politics ranging from authenticity claims and status competition among restaurateurs and consumers to societal racism immigration policies and soft power politics that have shaped the transmission and transformation of Japanese cuisine Such politics has involved appropriation oppression but also cooperation across ethnic lines Ultimately the restaurant is a continually reinvented imaginary of Japan represented in concrete form to consumers by restaurateurs cooks and servers of varied nationalities and ethnicities who act as cultural intermediaries The Global Japanese Restaurant Mobilities Imaginaries and Politics uses an innovative global perspective and rich ethnographic data on six continents to fashion a comprehensive account of the creation and reception of

the global Japanese restaurant in the modern world Drawing heavily on untapped primary sources in multiple languages this book centers on the stories of Japanese migrants in the first half of the twentieth century and then on non Japanese chefs and restaurateurs from Asia Africa Europe Australasia and the Americas whose mobilities since the mid 1900s have been reshaping and spreading Japanese cuisine The narrative covers a century and a half of transnational mobilities global imaginaries and culinary politics at different scales It shifts the spotlight of Japanese culinary globalization from the West to refocus the story on Japan s East Asian neighbors and highlights the growing role of non Japanese actors chefs restaurateurs suppliers corporations service staff since the 1980s These essays explore restaurants as social spaces creating a readable and compelling history that makes original contributions to Japan studies food studies and global studies The transdisciplinary framework will be a pioneering model for combining fieldwork and archival research to analyze the complexities of culinary globalization
