A Bone To Pick Ken Hughes, 2023-01-20 The magic to save lives it's what everyone would kill for For Adrian Corbin not every case begins with fighting pyromancers or crawling through catacombs of terror Sometimes it's safeguarding one budding magician and his friends One who holds the secret of healing No magic could be more precious for Adrian's mission to make up for the lives he's cost or for the forces that begin to stir at the rumors of this new power Protecting a healer means being ready for anything even the petty grudges and lies that could send his charges running straight into the grasp of the flame throwing Duvals Or the crime bosses that have begun to notice his work Or the woman who turned his life upside down To save a healer Adrian Corbin knows how many people could die

Bones of Empire William C. Dietz, 2017-09-20 From the national bestselling author of *Battle Hymn* comes the conclusion to the electrifying sci fi thriller duology begun with *At Empire's Edge* On the surface the Uman Empire seems as glorious as ever with its citizens reveling in their proud civilization the Legions defending its borders and the Emperor ruling benevolently over all Yet it is a facade In truth the alien Vord are pushing deeper into Uman space even as the noble families maneuver for power within a waning Empire But for Xeno Corps Centurion Jak Cato all that matters is that he's still alive After a disastrous mission that almost cost him everything he's returning to the Imperial capital of Corin with his beloved Alamy for some well deserved down time which soon becomes no time For as Cato watches a grand procession he catches a glimpse of his mighty Emperor and in one horrifying instant Cato's enhanced senses recognize that while the Emperor looks the same it is not him It is Fiss Verafti the murderous Sagathi shape changer Cato had just hunted down The creature he thought was dead As the Empire strains under attacks from within and without Cato doggedly investigates the mystery of how Verafti made his way from the grave to the throne and who is behind the astounding plot And when he does discover the truth it will change Cato and the entire galaxy forever When it comes to military science fiction William Dietz can run with the best Steve Perry author of the Matador series Adrenaline fueled Clancy esque adventure Publishers Weekly
