A Bonnie Fechter. The Life of Ishbel Marjoribanks, Marchioness of Aberdeen & Temair ... 1857-1939. [With Plates, Including Portraits.], 1952     **A Bonnie Fechter** Marjorie Adeline Sinclair (Baroness Pentland, formerly Lady Marjorie Adeline Gordon.),1952     *A bonnie fechter* Marjorie Pentland,1952     **A Bonnie Fechter** baroness Marjorie Adeline Gordon Sinclair Pentland,1952     Liberal Hearts and Coronets Veronica Strong-Boag,2015-01-01 Superbly written and informed by decades of research *Liberal Hearts and Coronets* is the first biography to treat John Campbell Gordon as seriously as his better known wife Ishbel Marjoribanks Gordon     **Cross Currents in the International Women's Movement, 1848-1948** Patricia Ward D'Itri,1999 D Itri American thought and language Michigan State U discusses the individuals organizations and events that contributed to the development of the world movement for women s rights between 1848 the date of the first Women s Rights Convention in the United States and 1948 by which time the movement was substantial enough to influence the United Nations Declaration of Human Rights This study traces the movement from its origins in the United States through its subsequent international development Annotation copyrighted by Book News Inc Portland OR     **The March of the Women** Martin Pugh,2000 Annotation This book is the first comprehensive analysis of the campaign for women s suffrage to appear for over thirty years It challenges the conventional chronology of the subject by arguing that the Victorian suffragists did not undergo a decline during the 1890s but on the contrary had effectively won the argument about votes for women by 1900 This view is supported by evidence of the ineffectiveness of Anti Suffragism and especially the difficulties it encountered in trying to reconcile female Antis who were often feminists with male Antis who opposed all forms of emancipation The author adds a new dimension to the argument by discussing the beneficial impact on the British campaign of women s enfranchisement in New Zealand in 1893 and in Australia in 1902 and he shows how crucial to the shift towards suffragist support in parliament were Conservative moves in favour of suffragism in the 1890s The March of the Women also offers a fresh evaluation of the Edwardian militant campaign At grass roots level divisions over tactics mattered less than among the London leadership and suffragette groups were less rigidly divided It places the Pankhursts and the WSPU in a fresh light by examining their success in raising funds and in tapping the support of the British Establishment at the same time attacking it and its values while at the other end of the spectrum non militants were making an important contribution to the cause by capitalising on working class and Labour support for women s suffrage     **The Women's Suffrage Movement** Elizabeth Crawford,2003-09-02 This widely acclaimed book has been described by History Today as a landmark in the study of the women s movement It is the only comprehensive reference work to bring together in one volume the wealth of information available on the women s movement Drawing on national and local archival sources the book contains over 400 biographical entries and more than 800 entries on societies in England Scotland and Wales Easily accessible and rigorously cross referenced this invaluable resource covers not only the political developments of the

campaign but provides insight into its cultural context listing novels plays and films      **Fortune's Many Houses** Simon Welfare,2021-02-16 A unique and fascinating look at Victorian society through the remarkable lives of an enlightened and philanthropic aristocratic couple the Marquess and Marchioness of Aberdeen who tried to change the world for the better but paid a heavy price This is a true tale of love and loss fortune and misfortune In the late 19th century John and Ishbel Gordon the Marquess and Marchioness of Aberdeen were the couple who seemed to have it all a fortune that ran into the tens of millions a magnificent stately home in Scotland surrounded by one of Europe s largest estates a townhouse in London s most fashionable square cattle ranches in Texas and British Columbia and the governorships of Ireland and Canada where they lived like royalty Together they won praise for their work as social reformers and pioneers of women s rights and enjoyed friendships with many of the most prominent figures of the age from Britain s Prime Ministers to Oliver Wendell Holmes and P T Barnum and Queen Victoria herself Yet by the time they died in the 1930s this gilded couple s luck had long since run out they had faced family tragedies scandal through their unwitting involvement in one of the crimes of the century and most catastrophically of all they had lost both their fortune and their lands This fascinating family quest for the reason for their dramatic downfall is also a moving and colorful exploration of society in Victorian Britain and North America and an inspirational feast for history lovers      *Worlds of Women* Leila J. Rupp,2020-12-08 *Worlds of Women* is a groundbreaking exploration of the first wave of the international women s movement from its late nineteenth century origins through the Second World War Making extensive use of archives in the United States England the Netherlands Germany and France Leila Rupp examines the histories and accomplishments of three major transnational women s organizations to tell the story of women s struggle to construct a feminist international collective identity She addresses questions central to the study of women s history how can women across the world forge bonds sometimes even through conflict despite their differences and questions central to world history is internationalism viable and how can its history be written Rupp focuses on three major organizations that were technically open to all women the broadly based and cautious International Council of Women founded in 1888 the feminist International Alliance of Women originally called the International Woman Suffrage Alliance founded in 1904 and the vanguard Women s International League for Peace and Freedom which grew out of the International Congress of Women that met at The Hague in 1915 The histories of these organizations and their stories of cooperation and competition shed new light on the international women s movement They also help us to understand the different but connected story of the second wave of international feminism that emerged from the ashes of World War II      Citizenship and Community Eugenio F. Biagini,2002-06-20 In 1883 the radical journalist W E Adams described community self government as the essence of all political liberalism that is worthy of the name This collaborative volume of essays enlarges upon Adams thesis applying it to the study of various currents of radicalism in Britain and Ireland and ranging from Victorian advanced liberals to Irish and Welsh socialists in the 1920s *Citizenship and Community* explores the links between liberalism

social democracy and nationalism within the framework of classical republican ideals of civic virtue and active citizenship Its strong comparative emphasis breaks down conventional views of the state and focuses attention on the regions of Britain revealing how different forms of collective identity interacted in popular attitudes to political and social debates at a national level **The truest form of patriotism'** Heloise Brown,2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license This book explores the pervasive influence of pacifism on Victorian feminism It provides an account of Victorian women who campaigned for peace and of the many feminists who incorporated pacifist ideas into their writing on women and gender The book explores feminists ideas about the role of women within the empire their eligibility for citizenship and their ability to act as moral guardians in public life It shows that such ideas made use in varying ways of gendered understandings of the role of force and the relevance of arbitration and other pacifist strategies The book examines the work of a wide range of individuals and organisations from well known feminists such as Lydia Becker Josephine Butler and Millicent Garrett Fawcett to lesser known figures such as the Quaker pacifists Ellen Robinson and Priscilla Peckover
