Of Blarney:

A Big Pile of Blarney Colin Murphy, Brendan O'Reilly, 2017-02-20 The Irish are world masters at talking The magic behind our silky colourful and non stop stories is a little thing called blarney or the gift of the gab But what is it you ask and how can you get some for yourself The hilarious A Big Pile of Blarney takes you through the history of Blarney Castle and the legend of the world famous Blarney Stone not to mention the famous lips that have puckered up to it By the time you've finished reading you too will be overflowing with beguiling blarney know how and mellifluous oratorical magnetism *The*

many poetic voices entirely unknown to modern readers Although the anthology contains the work of well known figures such as John Toland Thomas Parnell Jonathan Swift Patrick Delany Laetitia Pilkington and Oliver Goldsmith there are many verses by lesser known writers and nearly eighty anonymous poems which come from the broadsheets manuscripts and chapbooks of the time What emerges is an entirely new perspective on life in eighteenth century Ireland We hear the voice of a hard working farmer s wife from county Derry of a rambling weaver from county Antrim and that of a woman dying from drink We learn about whale fishing in county Donegal about farming in county Kerry and bull baiting in Dublin In fact almost every aspect of life in eighteenth century Ireland is described vividly energetically with humor and feeling in the verse of this anthology Among the most moving poems are those by Irish speaking poets who use amhran or song meter and internal assonance both borrowed from Irish in their English verse Equally interesting is the work of the weaver poets of Ulster who wrote in vigorous and energetic Ulster Scots The anthology also includes political poems dating from the reign of James II to the Act of Union as well as a selection of lesser known nationalist and Orange songs Each poem is fully annotated and the book also contains a glossary of terms in Hiberno English and Ulster Scots
