Martin Waldseemüller's 'Carta marina' of 1516 Chet Van Duzer,2019-10-09 This open access book presents the first detailed study of one of the most important masterpieces of Renaissance cartography Martin Waldseemüller's Carta marina of 1516 By transcribing translating into English and detailing the sources of all of the descriptive texts on the map as well as the sources of many of the images the book makes the map available to scholars in a wholly unprecedented way In addition the book provides revealing insights into how Waldseemüller went about making the map information that can't be found in any other source The Carta marina is the result of Waldseemüller's radical re-evaluation of what a world map should be he essentially started from scratch when he created it rejecting the Ptolemaic model and other sources he had used in creating his 1507 map and added more descriptive texts and a wealth of illustrations Given its content the book offers an essential reference work not only on this map but also for anyone working in sixteenth century European cartography **South Asian Archaeology 1975** J.E. van Lohuizen-de Leeuw,2023-07-31 *A History of Mozambique* M. D. D. Newitt,1995 This is the first history of Mozambique from the 15th century to the present The Mozambican people have had contact with Muslim and European traders for nearly 1000 years and their history is given a unity by the influence of commerce and seaborne trade Indeed Mozambique itself consists of a series of ancient sea and river ports with their commercial hinterlands

Exploring the Economy of Late Antiquity Jairus Banaji,2016 This book contributes to a new economic history of late antiquity with tightly argued stimulating studies of class money and exchange **Jain Paintings and Material Culture of Medieval Western India** Lipika Maitra,2023-08-31 Through a curated collection of key Jain paintings this volume offers a glimpse into the way people lived in western India during the medieval times What they wore how they ornamented themselves what they amused themselves with what furniture they sat on which modes of transport they used It includes Jain paintings from various collections in India and abroad to underscore the value of pictorial evidence in piecing together the past The book takes the reader on a breath taking visual journey through the varied costumes exquisite textiles handcrafted ornaments curiously shaped vessels and containers musical instruments arms and armour conveyances and many such articles of everyday use These articles of everyday use are corroborated with the descriptions left by foreign travellers passing through western India at that time It explores contemporary lexicons and vernacular literature from this period for possible names in vogue for the articles of Material Culture The work is richly illustrated with line drawings by the author to highlight the objects being referred to What comes across clearly through this book is that art is the mirror of the times and as such paintings reflect the society in which they are created A magnificent read this book will be essential for scholars and researchers of Indian painting art history Indian art arts and aesthetics Jainism visual arts South Asian history Indian history heritage studies and cultural history It will also be a must have for history and visual arts enthusiasts all over the world
