Exodus Brevard S. Childs, 1974

A Theological Introduction to the Old Testament Prof. Walter Brueggemann, Prof. Bruce C. Birch, Prof. Terence E. Fretheim, David L. Petersen, 2011-12-01 This book has become a standard text in seminary and university classrooms The purpose of this second edition is to help readers come to a critically informed understanding of the Old Testament as the church's scripture This book introduces the Old Testament both as a witness of ancient Israel and as a witness to the church and synagogue through the generations of those who have passed these texts on as scripture The authors of this volume share a commitment to the interpretation of the Old Testament as a central resource for the life of the church today At the same time they introduce the Old Testament witness in a manner that honors the importance of biblical scholarship in helping students engage the variety of theological voices within the Old Testament This second edition gives special attention to deepening and broadening theological interpretations by including for example issues related to gender race and class It also includes more detailed maps and charts for student use

Being Missional, Becoming Missional Banseok Cho, 2021-12-10 This book explores the theme of the missional conversion of the church namely how the church is transformed toward its missionary vocation from a biblical theological perspective The purpose of this book is to find biblically grounded theologically sound and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God's mission today The biblical theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates first that in Scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God and second that this divine human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand

Salvation Accomplished by the Son Robert A. Peterson, 2024-06-17 In this unique and insightful work Robert Peterson insists that we look afresh at all that the Bible teaches about who our Savior is and what he has accomplished with the conviction that a careful examination of this teaching will lead us to adoration and worship Peterson explains the saving work of Christ both his deeds and the biblical pictures illustrating them and thereby points to the magnitude of what Jesus did to save sinners Offered here is a substantive significant and enduring treatise on a key Christian doctrine the work of Christ

Introduction to the Old Testament Anthony R. Ceresko, 2001-01-01 Applying Norman Gottwald's thesis on Israel's origins Cereski argues that Israel was formed through a process of social revolution inspired by the memory of runaway slaves and their worship of a God whose cult mandated radical social equality and justice **A Biblical Theology of the Book of Isaiah** Douglas W. Kennard, 2020-04-29 Using a biblical theology method explained in SwJT 56 1 2013 227 57 this book reflects the content of the text of Isaiah within its Jewish Christian context *Show Me Your Glory* Rebecca G. S. Idestrom, 2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In *Show Me Your Glory* Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God's glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God's glory This thematic investigation demonstrates that the Old Testament Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God's majestic glory *Show Me Your Glory* yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory

The Word of God Has Not Failed Sherwood, Aaron, 2015-11-20 In *The Word of God Has Not Failed* Sherwood presents a fresh reading of Romans 9 6 29 focusing on Paul's use of Scripture Since this passage contains such a high concentration of Old Testament quotations it is vital to explore how Paul understood and interpreted those texts Only then can we really understand the thrust of Paul's message

The Crucifixion Fleming Rutledge, 2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model

Once Holy Mountain Mark H. Sweberg, 2020-07-29 This book is about the location of biblical Mount Sinai It differs from all previous works about Mount Sinai in that the research and methodology is wholly focused on the Bible text what the Bible has to say about Mount Sinai the physical realities that would have impacted on the Israelites that followed Moses and what archaeology has revealed to date Those realities influenced the route of travel from Egypt to Mount Sinai route of travel the distance traveled the impact of the physical condition of the people and the animals that went with them and the logistics involved Most written works about Mount Sinai do not offer evidence from the biblical text supporting their conclusions and those that do often only cite the Bible in passing This book holds that the historical accuracy inerrancy and authority of the Bible are without question The Exodus happened and the Israelite people were freed from bondage and followed the leadership of Moses to Mount Sinai and beyond This book focuses on the evidence and physical realities without the introduction of personal agendas or biases The book pieces together the three dimensional puzzle recognized as Mount Sinai in the Exodus and identifies where Mount Sinai is located based on the evidence presented throughout

Jeroboam's Wife Robin Gallaher Branch, 2009-07-01 Much has been written about prominent women of biblical history like Sarah Ruth and Esther However relatively little attention has been paid to the obscure women of the Old Testament whose words are not recorded in the Bible and some of whom aren't even named Yet often these less prominent women played important roles in shaping the unfolding of God's plan Indeed the appearance of such obscure women sometimes signals the emergence of some great event More than that these lesser known women frequently faced with seemingly impossible circumstances modeled unflinching integrity and moral courage In *Jeroboam's Wife* Robin Gallaher Branch introduces us to seven of these obscure yet notable biblical women By examining their historical and cultural settings with scholarly care and penetrating insight she brings these women out of their obscurity and highlights both their unique challenges and their indelible contributions By interacting with contemporary biblical social and psychological scholarship she presents ancient biblical history in fresh and relevant ways Thoughtful questions for personal reflection or group discussion guide contemporary readers to ponder the deeper significance of these women's contributions
