**The book of golden discs** ,1972      **The Book of Golden Discs** Joseph Murrells,1978      **The Golden Disc** Robyn Adams,2013-11-19 Holding up the device Jondra said This is the Golden Disc of Ra the Healing Bomb from our home planet Because of the sudden and unexpected nature of its destruction this force was never activated It was originally prepared to transmute negative emotional thoughts into much more compassionate and loving actions in an explosion of consciousness not protect us from wayward meteors One day it may save the dwellers on this planet Earth from destroying themselves Pity we never had a chance to test it The Earth is in crisis as the Forces of Darkness and Destruction are rapidly gaining power in many countries Four people remember their ancient pledge to re discover one section of the powerful device if a dire enough situation warrants it When a rogue country detonates a nuclear bomb over Jerusalem these four are called to save humanity from a destructive aftermath of retribution From each continent comes one whose ancient destiny is to reassemble the Golden Disc programmed millennia ago to empower the Forces of Light to triumph One by one the four are awakened to their destiny reconnected with each other and travel to Kenya to reassemble the Golden Disc that will save the Earth They must release a wave of higher consciousness from the device called a Healing Bomb before several other countries ally to become involved in all out nuclear war which will have a cataclysmic effect on Earth and humanity far greater than the predicted earth changes that were due to take place at the end of 2012 Will they make it before the deadline and can they remember how to re assemble the device in time If it is not done absolutely correctly a terrible confl agration could destroy the very thing they are trying to save Earth To do so they will have to outwit those whose role it is to prevent this from happening by Robyn Adams      The Book of Golden Discs ,1978 The records that sold a million Cover      *Billboard* ,1996-01-27 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends      **The story of Helen Troy, by the author of 'Golden rod'**.
