African Battle Traditions of Insult Tanure Ojaide, 2023-04-26 This book explores the battles of words songs poetry and performance in Africa and the African Diaspora These are usually highly competitive artistic contests in which rival parties duel for supremacy in poetry composition and or its performance This volume covers the history of this battle tradition from its origins in Africa especially the udje and halo of the Urhobo and Ewe respectively to its transportation to the Americas and the Caribbean region during the Atlantic slave trade period and its modern and contemporary manifestations as battle rap or other forms of popular music in Africa Almost everywhere there are contemporary manifestations of the more traditional older genres The book is thus made up of studies of contests in which rivals duel for supremacy in verbal arts song poetry and performance as they display their wit sense of humor and poetic expertise Toward a Rhetoric of Insult Thomas

Conley, 2010-06-15 From high school cafeterias to the floor of Congress insult is a truly universal and ubiquitous cultural practice with a long and earthy history And yet this most human of human behaviors has rarely been the subject of organized and comprehensive attention until Toward a Rhetoric of Insult Viewed through the lens of the study of rhetoric insult Thomas M Conley argues is revealed as at once antisocial and crucial for human relations both divisive and unifying Explaining how this works and what exactly makes up a rhetoric of insult prompts Conley to range across the vast and splendidly colorful history of offense Taking in Monty Python Shakespeare Eminem Cicero Henry Ford and the Latin poet Martial Conley breaks down various types of insults examines the importance of audience and explores the benign side of abuse In doing so Conley initiates readers into the world of insult appreciation enabling us to regard insults not solely as means of expressing enmity or disdain but as fascinating aspects of human interaction **Rustico Filippi, 'The Art of Insult'** Fabian Alfie, 2014-11-18

Although he was a skilful author of courtly love lyrics Rustico's fame rests on another type of poetics altogether At the time he was credited with fathering a new branch of comic literature insult Of his 59 sonnets 30 are insulting caricatures of fellow citizens political figures and Florentine women Literary theorists had justified insult as a means to enforce public morality but in the Italian tradition no one had explored the artistic range of insulting literature before Rustico After Rustico insult was a central element of comic literature **Insult and the Making of the Gay Self** Didier Eribon, 2004-07-07 Published

Sticks and Stones Jerome Neu, 2007-12-07 Sticks and stones may break my bones but words will never hurt me This schoolyard rhyme projects an invulnerability to verbal insults that sounds good but rings false Indeed the need for such a verse belies its own claims For most of us feeling insulted is a distressing and distressingly common experience In Sticks and Stones philosopher Jerome Neu probes the nature purpose and effects of insults exploring how and why they humiliate embarrass infuriate and wound us so deeply What kind of injury is an insult Is it determined by the insulter or the insulted What does it reveal about the character of both parties as well as the character of society and its conventions What role does insult play in social and legal life When is telling the truth an insult Neu draws upon a wealth of examples and anecdotes as well as a range of views from Aristotle and Oliver Wendell Holmes to Oscar Wilde John Wayne Katherine Hepburn and many others to provide surprising answers to these questions He shows that what we find insulting can reveal much about our ideas of character honor gender the nature of speech acts and social and legal conventions He considers how insults both intentional and unintentional make themselves felt in play Freudian slips insult humor rituals blasphemy libel slander and hate speech And he investigates the insult s extraordinary power why it can so quickly destabilize our sense of self and threaten our moral identity the very center of our self respect and self esteem Entertaining humorous and deeply insightful Sticks and Stones unpacks the fascinating dynamics of a phenomenon more often painfully experienced than clearly understood
