Legal Fictions Steven Fraade, 2011-05-10 Ancient Jewish writings combine interpretive narratives of Israel s sacred history with legal prescriptions for a divinely ordered way of life Two ancient Jewish societies have left us extensive textual corpora preserving interpenetrating legal and narrative interpretive teachings the sectarian community of the Dead Sea Scrolls and the sage disciple circles of the early Rabbis This book comprises studies that explore specific aspects of the interplay of interpretative narrative and legal rhetoric with an eye to pedagogic function and social formation for each of these communities and for both of them in comparison It addresses questions of how best to approach these writings for purposes of historical retrieval and reconstruction by recognizing the inseparability of literary rhetorical textual analysis and a non reductive historiography

Caleb's Eye: a Spy's Journey Through Genesis Carroll W. Boswell, 2011-07-19 This book is a commentary in the form of a journal It is meant to be something like a diary kept by a tourist or a spy of his travels in a strange land recording questions and observations and opinions on everything he sees for other travelers on the same road It could be also called a dialogue because the author records the conversation that he has with Genesis as he moves along and the conversation he has with himself in the privacy of his motel room In both ways it is the account of a journey with the idea that it may be of some use to others traveling the same road The author is writing as an amateur to other amateurs He is not a professional theologian nor a biblical scholar and while his intent is to think as deeply and truly as he can he is not doing so as a professional There are several advantages that an amateur may have over a professional in a case like this First the amateur can be much bolder in what he questions and in the answers he considers The professional always has something on the line always something at risk namely his reputation He cannot venture far off the beaten path without being in some danger of losing his respectability The amateur on the other hand has little respectability to lose and little reputation to risk What Dr Boswell would not be able to risk in mathematical writing he can be quite at liberty to risk in this project It can be exhilarating Secondly the amateur has a much friendlier connection with the average reader The amateur is

something of an equal with the average reader though presumably with something to say worth the hearing Since they are introduced as equals the reader can feel safer less threatened more entitled to join in the conversation that the author is trying to create With a professional author there is always the sense of obligation that one should not argue back with the scholar only another scholar has the credentials to join in their conversation and the rest of us must sort it all out as best we can But with this book there is no need of restraint anyone can be drawn in to the discussion anyone can feel entitled to disagree with impunity It can be exhilarating This book is not meant to be a Bible made simple book It is written by someone who loves to think and is written for others who love to think It is written by someone who is not timid about difficult questions and is written for others who have no fear of such things But most of all it is a book written for the pure joy of the thing and for those who might share that joy

The Great Controversy Tom de Bruin, 2014-12-10 The Testaments of the Twelve Patriarchs T12P one of the longest texts of the so called Old Testament Pseudepigrapha presents the fictitious farewell speeches that the twelve sons of Jacob held on their respective deathbeds Tom de Bruin examines these twelve monologues as literary products in order to understand the function of the text for the setting in which it was composed He approaches T12P from three directions an analysis of the paraenetic parts a discussion of the anthropology and a comparative examination of other

contemporaneous works documenting a world view similar to T12P These three approaches merge into a detailed discussion about the reasoning behind the admonition in T12P and identifies the fundamental message of the text namely that each person stands between the forces of good and evil and that this person is called to constantly decide which way to follow Though T12P is still familiar with the apocalyptic origin and plays with the cosmological implications of this great controversy the text clearly puts the emphasis on the battle inside each individual It is thereby an important witness for reinterpreting and reapplying apocalyptic traditions through ethicizing them and focusing on the individual Such an individualistic application of the great controversy theme can be found in a number of other mostly Christian works revealing a similar understanding of mankind's existence and development as in T12P The analysis of the ethical reappropriation of apocalyptic traditions in T12P provides important insights into the foundations of early Christian ethics ancient anthropology and the Jewish and Christian understanding of the struggle between good and evil *Once in a Lifetime* Kevin

Derrick Hill, 2006-12-04 This material will be based on several things to tie a lot of things together that might have been hindering us as Christians to grow to our potential You see there are keys in the word of God that must be understood To receive the total blessing of the promises we must be in compliance of God's revelation for man Within the keys we find many things and within this material we are going to be looking for a greater understanding of Christ Jesus I found the best way to do that is to study the tribes For which will enhance our understanding of the Old Testament and exactly how things connected to the New Testament And most of all give us better understanding of the Savior our Lord Jesus Christ through understanding His character We will look at the four major characteristics of our Lord To see how His perfection of the traits that combined together outlined the characteristic which the tribes possessed Each trait is a key in our understanding of a closer walk with Christ As we see the riches in getting closer to the perfect character of Christ Jesus in our daily life To enhance our life in such a way that we can have victory in areas where we struggle Not saying we are going to be perfect here on earth but we can strive to be better each day We will also decipher some keys which will unlock and give clarity in some things in the New Testament That will enrich our lives forever God Bless You Let's get started The power in God's revelation instead of man's interpretation sets free some things that hinder This book will be looking at the qualities or traits that build characteristics that combined with other characteristics built Christ Jesus character With the understanding of the Tribes will give the quality that builds characteristics that grows and develops character Enjoy the readings you have my Blessings as well as my Prayers God Bless
