## **Of Revelation Unlocking The Future:**

**A Testimony of Jesus Christ - Volume 1** Anthony Charles Garland, 2007 A Commentary on the Book of Revelation  
Volume 2 The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation To understand this controversial book the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel Ezekiel and others It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides [The Seven Seals of the Apocalypse](#) ,2009-04-01 Filling today's religious book market are Apocalypse commentaries teaching that the seven seals of Revelation 5:8 describe tragedies that are to take place in the last days Medieval Europeans on the other hand thought very differently about the seven seals Some used the seven seals for catechetical purposes and associated them with seven major events in the life of Christ or seven gifts of the Holy Spirit Other medieval writers taught that the seven seals contained symbols about life in the church between the first and second comings of Christ Still others viewed the seals as milestones in the grand outline of salvation history This book illustrates this vastness of medieval interpretive tradition on the seven seals It includes fifteen texts from the sixth through the fifteenth centuries which have been organized under three headings those illustrating christological interpretations of the seven seals those proposing ecclesiastical interpretations and those giving historical interpretations [Biblical Worship](#)  
Benjamin K. Forrest, Walter C. Kaiser Jr., Vernon M. Whaley, 2021-02-23 A biblical theology of worship spanning both the Old and New Testaments While many books on worship focus on contemporary trends Biblical Worship plumbs every book of the Bible to uncover its teaching on worship and then applies these insights to our lives and churches today A team of respected evangelical scholars unearths insights into a variety of issues surrounding worship including The Old Testament concept of worship Worship before the Exodus Worship in the Old Testament feasts and celebrations Worship in the Psalms of Lament and Thanksgiving The New Testament concept of worship Worship in the Gospels Worship in Acts Worship in the Pastoral Epistles and much more Pastors worship leaders instructors and anyone who wants to grow in their knowledge of the Bible's full teaching on worship and how it applies today will benefit from this volume part of the Biblical Theology for the Church series *The Popular Handbook on the Rapture* Tim LaHaye, Thomas Ice, Ed Hindson, 2012-05-01 Why is there so much confusion about how and when the rapture will take place What does the Bible say for certain about this event When will the Tribulation occur and who will face it There is a lot of discussion among Christians about the rapture and the last days Why all the different views And how do those perspectives line up with Scripture Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God's Word for the answers In this book readers will discover

what they can know for certain And as they consider the things that still remain uncertain they will gain a renewed trust that God knows what He is doing His plan is perfect and it will unfold in His timing An easy to understand resource that provides much needed clarification about the end times **The Road To Hell** Dwayne Mattingly,2022-12-15 Many people today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away

**Book of Revelation** Ed Hindson,2020-09-14 WILL THE HUMAN RACE SURVIVE IN THE FUTURE EVERYONE IS CURIOUS ABOUT THE FUTURE There is something in human nature that wants to know what is going to happen next God speaks to the need in our lives by revealing the future before it happens That process is called a prophecy of future events This book is a study of the prophecies in the book of Revelation The book of Revelation is the grand and noble conclusion to the Bible It captives our attention stirs our imagination and points us to our glorious future destiny It shows the living relationship between the risen Christ and His Bride the Church It also records the final days of this world and reveals the glorious new world yet to come The book of Revelation gives us hope for the future when God will make all things new Rev 21 5 Dr Hindson simplifies the message of the Revelation so that you can easily understand it for yourself He surveys the general content of this captivating book of prophecy with a view to keeping the big picture in mind rather than getting lost in all the details His approach is to keep the study focused on the key issues in each chapter The Book of Revelation has been called the epilogue of the unfolding drama of redemption It s God s road map to help us understand where human history is going In the biblical record human history begins in a garden and ends in the eternal city It begins with tragedy and ends with triumph It begins with man s failure and ends with his exaltation In between there stands a cross and on that cross Jesus Christ changed the course of human history forever The message of the Bible represents the timeless truth of God As each generation seeks to apply that truth to its specific context it becomes necessary for an up to date commentary to be created just for them The editors and authors of the Twenty First Century Biblical Commentary have endeavored to do just that They represent conservative evangelical and dispensational scholarship at its best *Bible Prophecy Under Siege* Ron Rhodes,2024-02-13 Understanding and Answering False Claims about Prophecy Many people today cast doubt on the
