The Doctrine of the Miraculous Gift of Tongues and Prophesying Impartially Considered. [By John Ashley.] ... Second Edition ,1832 A Myriad of Tongues Caleb Everett,2023-09-19 A guide to how languages around the world differ from one another far more than we realize and point to fundamental differences in how people conceive of everything from time to color to smell *The Power Of Tongues* Chris Oyakhilome PhD.,2005-03-02 In this book Pastor Chris Oyakhilome teaches you the what how and why of speaking in other tongues and reveals the immense benefits it holds for you as a New Testament believer in Jesus Christ You will also learn about Tongues Interpretation of tongues and Prophecy The difference between Praying in Your Understanding and Praying in Tongues *Archive of Tongues* Moon Charania,2023-06-30 In *Archive of Tongues* Moon Charania explores feminine dispossession and the brown diaspora through a reflection on the life of her mother Drawing on her mother s memories and stories of migration violence sexuality queerness domesticity and the intimate economies of everyday life Charania conceptualizes her mother s tongue as an object of theory and an archive of brown intimate life By presenting a mode of storytelling that is sensual and melancholic piercing and sharp Charania recovers otherwise silenced modes of brown mothers survival disobedience and meaning making that are often only lived out in invisible intimate spaces and too often disappear into them In narrating her mother s tongue as both metaphor for and material reservoir of other ways of knowing Charania gestures to the afflictions limits and failures of feminist queer and postcolonial scholarly interrogations and the consequences of closing the archive of the brown mother **Speaking in Tongues: A Critical Historical Examination** Philip E. Blosser,Charles A. Sullivan,2022-09-16 In three carefully researched volumes this ground breaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times has no precedent in church life prior to the nineteenth century They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s why Pentecostals between 1906 8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism why Protestant cessationists believed miraculous tongues had ceased and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome s use of Latin *The Historic Baptism of the Holy Spirit and The Gift of Tongues* Robert L. Kramer,2021-06-29 This book presents the Baptism of the Spirit as a once and done never to be repeated historic event and is never offered in the Bible as something to be experienced by individual believers In the process it is discovered that the

gift of speaking in tongues is not offered to or meant to be experienced by all believers therefore it cannot be the necessary evidence of being baptized by the Spirit
