

Of Westerns

Gary R. Edgerton

Of Westerns:

The Social, Psychological and Cultural Significance of Westerns Arthur Asa Berger, 2023-04-26 This book is about cowboy Western books and two important Western films *Shane* and *High Noon*. Its focus is on the psychological, social and cultural significance of Westerns, a narrative genre of major importance in American popular culture. What you will find as you read this book is that while the stories may have relatively simple plot lines compared to classic novels and are based on certain formulas, their psychological significance and cultural importance is a very complicated matter. Fans of Westerns read them to entertain themselves but as will be shown in considerable detail, there is more to reading Westerns or any novel than meets the eye. This text presents the idea that people read Westerns because these stories provide certain psychological and social pleasures, payoffs and benefits.

The Book of Westerns Ian Cameron, Douglas Pye, 1996 An overview of the Western movie.

The A to Z of Westerns in Cinema Paul Varner, 2009-09-28 When the earliest filmgoers watched *The Great Train Robbery* in 1903, many of them shrieked in terror at the very last clip when one of the outlaws turns directly toward the camera and fires a gun seemingly directly at the audience. The puff of smoke was sudden and it was hand colored so that it looked real. Today we can look back at that primitive movie and see all the elements of what would evolve into the Western genre. Perhaps it is the Western's early origins. *The Great Train Robbery* was the first narrative commercial movie or its formulaic yet entertaining structure that has made the Western so popular. Whatever the case may be with the recent success of films like *3:10 to Yuma* and *The Assassination of Jesse James by the Coward Robert Ford*, the Western appears to be in no danger of disappearing. The story of the western is told in *The A to Z of Westerns in Cinema* through a chronology, a bibliography and an introductory essay. However, it is the hundreds of cross-referenced dictionary entries on cinematographers, composers, producers, films like *Butch Cassidy and the Sundance Kid*, *Dances With Wolves*, *The Good, the Bad and the Ugly*, *High Noon*, *The Magnificent Seven*, *The Searchers*, *Tombstone* and *Unforgiven*, such actors as Gene Autry, Kirk Douglas, Clint Eastwood, Henry Fonda, James Stewart and John Wayne, and directors like John Ford and Sergio Leone that will have you reaching for this book again and again.

The Landscapes of Western Movies Jeremy Agnew, 2020-09-24 Western films have often been tributes to place and setting with the magnificent backdrops mirroring the wildness of the narratives. As the splendid outdoor scenery of Westerns could not be found on a studio back lot or on a Hollywood sound stage, the movies have been filmed in the wide open spaces of the American West and beyond. This book chronicles the history of filming Westerns on location from shooting on the East Coast in the early 1900s through the use of locations in Utah, Arizona and California in the 1940s and 1950s and filming Westerns in Mexico, Spain and other parts of the world in the 1960s. Also studied is the relationship between the filming location timeline and the evolving motion picture industry of the twentieth century and how these factors shaped audience perceptions of the Real West.

Westerns Gary R. Edgerton, 2013-09-13 For nearly two centuries Americans have embraced the Western like no other artistic genre. Creators

and consumers alike have utilized this story form in literature painting film radio and television to explore questions of national identity and purpose Westerns The Essential Collection comprises the Journal of Popular Film and Television s rich and longstanding legacy of scholarship on Westerns with a new special issue devoted exclusively to the genre This collection examines and analyzes the evolution and significance of the screen Western from its earliest beginnings to its current global reach and relevance in the 21st century Westerns The Essential Collection addresses the rise fall and durability of the genre and examines its preoccupation with multicultural matters in its organizational structure Containing eighteen essays published between 1972 and 2011 this seminal work is divided into six sections covering Silent Westerns Classic Westerns Race and Westerns Gender and Westerns Revisionist Westerns and Westerns in Global Context A wide range of international contributors offer original critical perspectives on the intricate relationship between American culture and Western films and television series Westerns The Essential Collection places the genre squarely within the broader aesthetic socio historical cultural and political dimensions of life in the United States as well as internationally where the Western has been reinvigorated and reinvented many times This groundbreaking anthology illustrates how Western films and television series have been used to define the present and discover the future by looking backwards at America s imagined past *Historical Dictionary of Westerns in Literature* Paul Varner,2010-09-20 When in 1902 Owen Wister a member of the Eastern blueblood aristocracy and friend of novelist Henry James became a best selling novelist with the publication of *The Virginian* few readers would have guessed that a new kind of American literature was being born While Owen Wister was enjoying his success Edwin S Porter in New Jersey was filming the first cinema Western *The Great Train Robbery* which would usher in a new era both of movies in general and of Western movies in particular Both events would lead to a century of cultural fascination with stories of the old West *The Historical Dictionary of Westerns in Literature* tells the story of the Western through a chronology a bibliography an introductory essay and hundreds of cross referenced dictionary entries on authors such as Owen Wister Zane Grey Max Brand Clarence Mulford Ernest Haycox Luke Short Dorothy Johnson Louis L Amour and Cormac McCarthy *Checklist of Western Films* Pasquale De Marco,2025-04-24 *Checklist of Western Films* is the ultimate guide to the Western film genre This comprehensive volume covers everything from the genre s origins in dime novels and pulp magazines to its evolution and cultural impact over the years In this book you will learn about the great Western directors actors and films and explore the themes and motifs that have made the genre so enduring You will also discover how the Western genre has been used to reflect the changing tastes and values of American society Whether you are a fan of classic Westerns Spaghetti Westerns or revisionist Westerns this book has something for everyone With in depth analysis and insightful commentary *Checklist of Western Films* is the perfect resource for anyone who wants to learn more about the Western film genre Inside you will find A detailed history of the Western film genre from its early days in the silent era to its resurgence in recent years Profiles of the great Western directors actors and films An exploration of the themes and motifs

that have made the genre so enduring A discussion of the Western genre s cultural impact both in the United States and around the world Checklist of Western Films is the essential guide to the Western film genre Whether you are a longtime fan or just discovering the genre for the first time this book is sure to entertain and inform you If you like this book write a review on google books *The Invention of the Western Film* Scott Simmon,2003-06-30 Table of contents [The Six-gun Mystique Sequel](#) John G. Cawelti,1999 To this structural analysis he adds a new account of the genre s history and its relationship to the myths of the West which have played such an influential role in American history BOOK JACKET

Showdown, Confronting Modern America in the Western Film John H. Lenihan,1980 Showdown is a study of America s oldest most representative film genre the Western movie from the perspective of social allegory It assesses scores of major and minor films to show how Westerns function as vehicles for contemporary social and political critiques of American life [The Mammoth Book of Westerns](#) Jon E. Lewis,2013-07-04 The Western though a singularly American art form is one of the great genres of world literature with a truly global readership It is also durable despite being often unfairly maligned Ever since James Fenimore Cooper transformed frontier yarns into a distinct literary form the Western has followed two paths one populist what Time magazine famously billed the American Morality Play capable of taking many points of view from red to redneck but always populist with a sentimental attachment to the misfit the other literary eschewing heroism debunking with unsettling candour many of the myths of the West It can sometimes be difficult to draw a sure line between the two forms but both are represented in this outstanding collection which includes stories by Rick Bass Walter Van Tilburg Clark Larry McMurtry Mari Sandoz Christopher Tilghman and Mark Twain among many others **Edward Dorn, Charles Olson, and the American West** Paul Varner,2020-03-12 This book examines the poetics of the 20th century American West depicted by Edward Dorn through the influence and inspiration of his Black Mountain College mentor and fellow poet Charles Olson It considers some of the most important and challenging poetic representations of the 20th century American West to come out of the Beat Movement and avant garde literary scene *Still in the Saddle* Andrew Patrick Nelson,2015-08-03 By the end of the 1960s the Hollywood West of Tom Mix Randolph Scott and even John Wayne was pass or so the story goes Many film historians and critics have argued that movies portraying a mythic American West gave way to revisionist films that influential filmmakers such as Sam Peckinpah and Robert Altman made as violent critiques of the Western s golden years Yet rumors surrounding the death of the Western have been greatly exaggerated says film historian Andrew Patrick Nelson Even as the Wild Bunch and John McCabe rode forth John Wayne remained the Western s number one box office draw How then could there have been a revisionist reckoning at a time when the Duke was still in the saddle In *Still in the Saddle* Nelson offers readers a new history of the Hollywood Western in the 1970s a time when filmmakers tried to revive the genre by appealing to a diverse audience that included a new generation of socially conscious viewers Nelson considers a comprehensive filmography of releases from 1969 to 1980 in light of the visual tropes and narratives developed

and reworked in the genre from the 1930s to the present. In so doing he reveals the complexity of what is probably the most interesting period in Western movie history. His incisive reevaluations of such celebrated or infamous films as *The Wild Bunch* and *Heaven's Gate* and examinations of dozens of forgotten and neglected Westerns including the final films of John Wayne demonstrate that there was more to the 1970s Western than simple revision. Instead we see not only important connections between canonical and lesser known films of the period but also continuities between these and older Westerns. Nelson believes an ongoing cyclical process of regeneration thus transcends established divisions in the genre's history. Among the books currently challenging the prevailing evolutionary account of the Western, *Still in the Saddle* thoroughly revises our understanding of this exciting and misunderstood period in the Western's history and adds innovatively and substantially to our knowledge of the genre as a whole.

The Silver Screen Western: A Complete Trivia Guide

Pasquale De Marco, 2025-04-26 The Western film genre is a beloved classic that has captivated audiences for over a century. From the early days of silent films to the modern era of big budget blockbusters, Westerns have consistently ranked among the most popular and enduring genres in cinema. In this comprehensive guide to the Western film genre, we will explore the history of Westerns from their humble beginnings to their current status as a beloved classic. We will also examine the evolution of the Western from the traditional horse operas of the 1930s and 1940s to the more revisionist and complex Westerns of recent decades. Along the way, we will meet some of the greatest Western stars of all time, including John Wayne, Clint Eastwood, Gary Cooper, and Henry Fonda. We will also learn about the great Western directors such as John Ford, Sergio Leone, and Sam Peckinpah. And of course, we will discuss some of the greatest Western films ever made, including *Stagecoach*, *The Searchers*, *The Good, the Bad, and the Ugly*, and *Once Upon a Time in the West*. But the Western is more than just a genre of film. It is also a reflection of American history and culture. Westerns have played a significant role in shaping our national identity, and they continue to offer valuable insights into our past and present. In this book, we will explore the many ways in which the Western film genre has intersected with American history and culture. We will examine the Western's portrayal of the frontier, the Civil War, the Indian Wars, and other major historical events. We will also discuss the Western's treatment of race, gender, and class. Whether you are a lifelong fan of Westerns or just curious about this iconic genre, this book is the perfect place to start. So saddle up and get ready for a wild ride through the history of the Western film genre. This book is packed with information and insights that will appeal to both casual fans and serious scholars of the Western film genre. It is the perfect addition to any film lover's library. If you like this book, write a review on Google Books.

Historical Dictionary of Westerns in Cinema

Paul Varner, 2008 When the earliest filmgoers watched *The Great Train Robbery* in 1903, many of them shrieked in terror at the very last clip when one of the outlaws turns directly toward the camera and fires a gun seemingly directly at the audience. The puff of smoke was sudden, and it was hand-colored so that it looked real. Today we can look back at that primitive movie and see all the elements of what would evolve into the Western genre. Perhaps it is the

Western's early origins The Great Train Robbery was the first narrative commercial movie or its formulaic yet entertaining structure that has made the Western so popular Whatever the case may be with the recent success of films like 3 10 to Yuma and The Assassination of Jesse James by the Coward Robert Ford the Western appears to be in no danger of disappearing The story of the western is told in the Historical Dictionary of Westerns in Cinema through a chronology a bibliography and an introductory essay However it is the hundreds of cross referenced dictionary entries on cinematographers composers producers films like Butch Cassidy and the Sundance Kid Dances With Wolves The Good The Bad and the Ugly High Noon The Magnificent Seven The Searchers Tombstone and Unforgiven such actors as Gene Autry Kirk Douglas Clint Eastwood Henry Fonda James Stewart and John Wayne and directors like John Ford and Sergio Leone that will have you reaching for this book again and again

Hollywood's West Peter C. Rollins, John E. O'Connor, 2005-11-11 An excellent study that should interest film buffs academics and non academics alike Journal of the West Hollywood's West examines popular perceptions of the frontier as a defining feature of American identity and history Seventeen essays by prominent film scholars illuminate the allure of life on the edge of civilization and analyze how this region has been represented on big and small screens Differing characterizations of the frontier in modern popular culture reveal numerous truths about American consciousness and provide insights into many classic Western films and television programs from RKO's 1931 classic Cimarron to Turner Network Television's recent made for TV movies Covering topics such as the portrayal of race women myth and nostalgia Hollywood's West makes a significant contribution to the understanding of how Westerns have shaped our nation's opinions and beliefs often using the frontier as metaphor for contemporary issues

West of Everything Jane Tompkins, 1993-04-29 Jane Tompkins's first book Sensational Designs was hailed as brilliant by James Atlas in The New York Times Magazine and established her as a major writer on popular fiction Now she takes an entertaining and provocative look at that most American of literary genres the Western Considering both novels and movies Tompkins writes with affection respect and insight explaining the significance of such elements as horses death and cattle and providing readings of important works She argues that Westerns originated as a reaction against the female dominated popular fiction of the mid 19th century and the invasion of the public sphere by women which followed it The Western countered the inwardness spirituality and domesticity of these works with a rough and tumble secular world anti Christian anti emotional and most of all anti woman Writing with humor and insight Tompkins brings these currents to the surface changing how we see the Western

The Western David Lusted, 2014-10-13 The Western introduces the novice to the pleasures and the meanings of the Western film shares the excitement of the genre with the fan addresses the suspicions of the cynic and develops the knowledge of the student The Western is about the changing times of the Western and about how it has been understood in film criticism Until the 1980s more Westerns were made than any other type of film For fifty of those years the genre was central to Hollywood's popularity and profitability The Western explores the reasons for its success and its latter day decline among film makers and

audiences alike Part I charts the history of the Western film and its role in film studies Part II traces the origins of the Western in nineteenth century America and in its literary theatrical and visual imagining This sets the scene to explore the many evolving forms in successive chapters on early silent Westerns the series Western the epic the romance the dystopian the elegiac and finally the revisionist Western The Western concludes with an extensive bibliography filmography and select further reading Over 200 Westerns are discussed among them close accounts of classics such as *Duel in the Sun* *The Wild Bunch* and *Unforgiven* formative titles like John Ford's epic *The Iron Horse* and early cowboy star William S Hart's *The Silent One* together with less familiar titles that deserve wider recognition including *Comanche Station* *Pursued* and *Ulzana's Raid*

The Readers' Advisory Guide to Genre Fiction Joyce G. Saricks, 2009 This revised edition provides a way of understanding the vast universe of genre fiction in an easy to use format Expert readers advisor Joyce Saricks offers groundbreaking reconsideration of the connections among genres

Ride, Boldly Ride Mary Lea Bandy, Kevin Stoehr, 2012-10-01 This comprehensive study of the Western covers its history from the early silent era to recent spins on the genre in films such as *No Country for Old Men* *There Will Be Blood* *True Grit* and *Cowboys Aliens* While providing fresh perspectives on landmarks such as *Stagecoach* *Red River* *The Searchers* *The Man Who Shot Liberty Valance* and *The Wild Bunch* the authors also pay tribute to many under appreciated Westerns *Ride Boldly Ride* explores major phases of the Western's development including silent era oaters A production classics of the 1930s and early 1940s and the more psychologically complex portrayals of the Westerner that emerged after World War II The authors also examine various forms of genre revival and genre revisionism that have recurred over the past half century culminating especially in the masterworks of Clint Eastwood They consider themes such as the inner life of the Western hero the importance of the natural landscape the roles played by women the tension between myth and history the depiction of the Native American and the juxtaposing of comedy and tragedy Written in clear engaging prose this is the only survey that encompasses the entire history of this long lived and much loved genre
