Matthew Henry. By the Rev. E. Blomfield. Embellished with Fifty Beautiful Engravings* , 1809 **Help Me Understand the Bible** Clarence Whetstone, 2014-04 We approach the Bible with American eyes and therefore completely miss or misunderstand so much of it It is an old Middle Eastern book To really understand it we must try to understand their culture theology language and thinking A good translation is just the first step in understanding the Bible Figures of speech that are second nature to native speakers but often bizarre to others are especially difficult When these are further clouded by differences in customs grasping the original meaning can be very difficult What most of us fail to realize is that we do not think the same way the writers of the Bible thought The logic we find so easy and familiar did not yet exist when most of the Bible was written Without considering those differences we try to impose on Hebrew word pictures our Greek logic patterns Sometimes it works and at other times the results are disastrous No wonder we have loud conflict and seething separation within the church today in direct violation of Jesus prayer for unity within his body This book is the result of years of answering questions from students and friends It can be understood by anyone who can read a newspaper The Bible is the record of God s intervention in human affairs and where he draws a lost and hurting world to himself Despite the critics shrill cries the Bible can be understood Digging Through the Bible Richard A Freund, 2023-06-14 A masterful and eminently readable journey through the fascinating insights and revelations of Biblical archeology Publishers Weekly starred review Many of our religious beliefs are based on faith alone but archaeology gives us the opportunity to find evidence about what really happened in the distant past evidence that can have a dramatic impact on what and how we believe In Digging Through the Bible archaeologist and rabbi Richard Freund takes readers through digs he has led in the Holy Land searching for evidence about key biblical characters and events Digging Through the Bible presents overviews of the evidence surrounding figures such as Moses Kings David and Solomon and Mary the mother of Jesus as well as new information that can help us more fully understand the life and times in which these people would have lived Freund also presents new evidence about finding the grave of the Teacher of Righteousness mentioned in the Dead Sea Scrolls and gives a compelling argument about how the Exodus of the Israelites may have taken place in three separate waves over time rather than in a

P. Wagenfuhr,2019-06-25 What do unicorns law love and hell all have in common They are all unfortunate words of the Bible Through mistranslation cultural shifts anachronisms and misguided intentions this book traces several key words whose meaning is commonly misunderstood in our world today If the blatant mistranslation of unicorns could survive in the Bible for thousands of years securing their place in our cultural imagination to this day what would happen if important words like salvation were misunderstood How might our cultural imaginations hide the meaning of the Bible rather than revealing it By tearing down misunderstandings Wagenfuhr builds up a broad overview of the story of the Bible that illustrates a more mature and more exciting vision for Christian faithfulness than is commonly assumed *The Passover Mystery* Gene Tempelmeyer,2022-05-05 The cross remains the most familiar symbol of Christianity and the church so common it is easy to forget it recalls one of the most vicious forms of execution devised Perhaps an electric chair at the peak of our steeples would say to us what the cross said to the first believers Why did Christ have to suffer in such a brutal death Did Jesus die on a cross because God is angry and violent or because we are angry and violent How does the cross create the possibility of a new kind of humanity ready for a new kind of world What does the cross have to say about racial economic gender and other human divisions How does the cross offer forgiveness and end our shame thereby freeing us from the wounds life has inflicted on us What lessons does the cross teach about sharing life in community with others Very early in Christian history the idea of The Pascal Mystery entered the liturgy and thought of the church Incorporating the life death resurrection and ascension of Christ into one broad act by which we are reconciled with God the Passover Pascha Mystery identifies the execution of Jesus with the Passover Lamb rather than the lamb sacrificed as a sin offering on the Day of Atonement The Passover Lamb represents the obedience to God which nourishes and sustains God's people on their journey to freedom and wholeness Light ,1890 **Reading the Bible for a Change, Second Edition** Ray Lubeck,2023-02-21 Which Bible passages are for Christians today and which relate only to ancient readers Can I simply pick and choose for myself the verses I think best fit my situation Who gets to decide Is there a different meaning for each individual reader What am I supposed to know to read the Bible well Ray Lubeck has devoted his life to helping others discern for themselves God's truth in the Scriptures and to showing them how it relates to their everyday lives Reading the Bible for a Change will guide you in how to Read each biblical passage in light of its literary style and larger context Ask and explore the most fruitful questions for understanding the meaning of a passage Avoid common interpretive mistakes Hear God the divine Author speak through the Bible's human authors Identify the life changing truths of Scripture that apply to life today Move beyond merely reading the
