Em Tommy:

No More Dana Storm,Brittney Robinson,2008-07 What difference did abuse and neglect make in Tommy Ray s life What does it mean to grow up and survive in a sadistic abusive environment No More offers a personal glimpse into the horrors of child abuse No More explores child abuse the way no other book ever has brutally and astonishingly It will give the reader a glimpse into a world that is horrific and real It will also give the reader some insight about children who commit violent acts This book eloquently demonstrates how seemingly insurmountable adversity can bring forth surprising courage and strength even in the worst conditions **Outlook** Alfred Emanuel Smith,Francis Walton,1880 **FrontierWorld** Bob

that we would crash in to would send them flying out backwards and then watch as our new death wagon slowly Fall on top them pushing them to their watery graves These thoughts made them scream even louder I still had a death grip on my pole and was keeping it under water as we raced backwards Suddenly it stuck in the mud and sand on the bottom knocking me forward into the backs Of Jerald and Tommy This made them only scream louder as they knew the end was near I never let go of the grip on my pole and as I regained my balance our boat miraculously stopped and very slowly the front began to turn back into the middle of the river The river had now widened and was much deeper and yes calm After our boat spun around straight I pulled my pole out of the hole it was stuck in and gave up a slight push The water had become quiet and was moving slowly We had just survived death Our boat was still floating although it had a couple inches of water in the middle Gary Tommy and Jerald all turned to look at me They gazed at me with a strange look Excerpt from Baseball It didn t matter that blood was coming from our sliding arms and hands We had played on much rougher infields before We executed our much practiced method of pop up sliding when stealing a base We would never turn to look for a ball or in this situation people coming after us It didn t matter we were on our feet racing down the long driveway Our feet were barely touching the ground and when we reached the railroad tracks we only went faster We were racing towards home towards safety We were not going to stop until we were at the Ball Park or home base That was all that mattered now We would be safe there we would be home
