Of Intimate Grammar A Novel:

The Book Of Intimate Grammar David Grossman, 2014-07-31 Eleven years old and on the cusp of puberty Aron Kleinfeld is precocious imaginative the leader of his gang of friends But his bar mitzvah is looming his friends are all hitting puberty and Aron terrified and revolted by what he sees around him enters a state of arrested development He stops growing retreats from the world and is imprisoned in the body of a child for three long years While Israel inches towards the Six Day War and his friends cross the boundary between childhood and adolescence Aron remains in his child s body spying on the changes that adulthood wreaks as like his hero Houdini he struggles to escape the trap of growing up *The Boom in Contemporary Israeli Fiction* Alan L. Mintz, 1997 Five essays explore facets of what Mintz calls the complexity of cultural reverberations in Israeli fiction of the past two decades

Encyclopedia of the Novel Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world

Israeli Culture between the Two Intifadas Yaron Peleg, 2009-09-15 Over the past two decades profound changes in Israel opened its society to powerful outside forces and the dominance of global capitalism As a result the centrality of Zionism as an organizing ideology waned prompting expressions of anxiety in Israel about the coming of a post Zionist age The fears about the end of Zionism were quelled however by the Palestinian uprising in 2000 which spurred at least a partial return to more traditional perceptions of homeland Looking at Israeli literature of the late twentieth century Yaron Peleg shows how a young urban class of Israelis felt alienated from the Zionist values of their forebears and how they adopted a form of escapist romanticism as a defiant response that replaced traditional nationalism One of the first books in English to identify the end of the post Zionist era through inspired readings of Hebrew literature and popular media *Israeli Culture between the Two Intifadas* examines Israel s ambivalent relationship with Jewish nationalism at the end of the twentieth century

Writing in the Dark David Grossman, 2014-02-13 Essays on politics and literature from one of world literature s most respected voices The bravest and most clear headed interpreter of the Israeli Palestinian divide Observer The most honest soul searching book yet written by an Israeli or for that matter by a Palestinian on an agony that neither of them alone can bring to an end L A Times Throughout his career David Grossman has been a voice for peace and reconciliation between Israel and its Arab citizens and neighbours In five new essays on politics and literature in Israel today he addresses the conscience of a country that has lost faith in its leaders and its ideals This collection includes an already

famous speech that Grossman delivered in the presence of Ehud Olmert attacking Olmert's policies and his prosecution of Israel's disastrous Lebanon war in 2006 the war that took the life of Grossman's 20-year-old son Uri Moving humane clear sighted and courageous these essays on literature and the Holocaust and artistic creation as well as politics and philosophy are a *cri de coeur* from a calm voice of reason at a time of uncertainty and despair Jewish Studies at the Turn of the Twentieth Century European Association for Jewish Studies. Congress, 1999 A cursed book A missing professor Some nefarious men in gray suits And a dreamworld called the Troposphere Ariel Manto has a fascination with nineteenth-century scientists especially Thomas Lums and *The End of Mr Y* a book no one alive has read When she mysteriously uncovers a copy at a used bookstore Ariel is launched into an adventure of science and faith consciousness and death space and time and everything in between Seeking answers Ariel follows in Mr Y's footsteps She swallows a tincture stares into a black dot and is transported into the Troposphere a wonderland where she can travel through time and space using the thoughts of others There she begins to understand all the mysteries surrounding the book herself and the universe Or is it all just a hallucination With *The End of Mr Y* Scarlett Thomas brings us another fast-paced mix of popular culture love mystery and irresistible philosophical adventure *American Jewish Year Book 1997* David Singer, Ruth R. Seldin, 1997 The Library owns the volumes of the American Jewish Yearbook from 1899 current **The Oxford Guide to Contemporary World Literature** John Sturrock, 1997 opinion the Guide offers a discriminating and sometimes controversial view of a broad range of contemporary literatures Yitzhak Rabin's Assassination and the Dilemmas of Commemoration Vered Vinitzky-Seroussi, 2010-07-02 How does a society cope with the challenge of acknowledging and commemorating difficult aspects of its past In Yitzhak Rabin's Assassination and the Dilemmas of Commemoration Vered Vinitzky Seroussi develops a timely sociology of commemoration drawing on the public memory of Israel's Prime Minister Yitzhak Rabin who was assassinated at the end of a peace rally in Tel Aviv in 1995 She identifies and analyzes the building blocks from which commemoration is made agency space time and narrative Acting as a guide she leads the reader through monuments and gravestones memorial services and political demonstrations rituals both moving and banal and individuals determined to remember as well as those who wish to forget Yitzhak Rabin's Assassination and the Dilemmas of Commemoration examines the meanings boundaries opportunities and limits of commemoration a phenomenon not unique to Israel but shared by many nations across the globe **The People of the Book and the Camera** Ofra Amihay, 2022-06-30 Amihay offers a pioneering study of the unique nexus between literature and photography in the works of Hebrew authors Exploring the use of photography both as a textual element and through the inclusion of actual images Amihay shows how the presence of visual elements in a textual work of fiction has a powerful subversive function Contemporary Hebrew authors have turned to photography as a tool to disrupt narratives and give voice to marginalized sectors in Israel including women immigrants Mizrahi Israelis LGBTQ individuals second-generation Holocaust survivors and traumatized army veterans Amihay discusses

standard novels alongside graphic novels challenging the dominance of the written word in literature In addition to providing a poetic analysis of imagetext pages Amihay addresses the social and political issues authors are responding to including gender roles Zionism the ethnic divide in Israel and its Palestinian minority In exploring these avant garde novels and their authors Amihay elevates their significance and calls for a more expansive definition of canonical Hebrew literature The Jewish Quarterly ,1998

Contemporary Israel Frederick E. Greenspahn,2016-08-09 For a country smaller than Vermont with roughly the same population as Honduras modern Israel receives a remarkable amount of attention For supporters it is a unique bastion of democracy in the Middle East while detractors view it as a racist outpost of Western colonialism The romanticization of Israel became particularly prominent in 1967 when its military prowess shocked a Jewish world still reeling from the sense of powerlessness dramatized by the Holocaust That imagery has grown ever more visible with Israel s supporters idealizing its technological achievements and its opponents attributing almost every problem in the region if not beyond to its imperialistic aspirations The contradictions and competing views of modern Israel are the subject of this book There is much to consider about modern Israel besides the Middle East conflict Over the past generation a substantial body of scholarship has explored numerous aspects of the country including its approaches to citizenship and immigration the arts the women s movement religious fundamentalism and language but much of that work has to date been confined within the walls of the academy This book does not seek not to resolve either the country s internal debates or its struggle with the Arab world but to present a sample of contemporary scholars discoveries and discussions about modern Israel in an accessible way In each of the areas discussed competing narratives grapple for prominence and it is these which are highlighted in this volume

Art and the Artist in the Contemporary Israeli Novel Joseph Lowin,2016-12-21 *Art and the Artist in the Contemporary Israeli Novel* presents studies of eight contemporary works of Israeli fiction by eight major Israeli novelists It deals with a society where drama lived in reality but also in the mind is a central moving force What this book shows is the ways these texts deal with the themes of creativity and the creation of a work of art and with the way art and artists are portrayed in a culture that is often perceived as being otherwise preoccupied The book involves close and painstaking readings of these novels and travels along a broad spectrum of themes It also shows how these texts engage in dialogue with texts of the Jewish tradition on the one hand and on the other hand with each other Two major points of the book are its emphasis on the work as literary art and the way the same themes often find their way into the varied works created by this literary generation The book notes two tendencies among Israeli writers that there is a great urge to tell their story and the story of Israel and that to make clear not only what is happening in these novels but also what is going on in their works of art the novelist take the leisurely route of literary emerging slowly but surely leading the reader to see how art emerges from the most prosaic of events Despite its easygoing tone the book still claims to be a serious book dealing with serious issues both ethical and metaphysical One of the cases this book endeavors to make is that one of the main goals of contemporary

Israeli writers is to insert their works of art via a midrashic mode of writing in which previous texts are constantly being re-written and being made modern as links in the great chain of the Jewish textual tradition These novels often refer back to biblical tales and to rabbinic ways of reading them But they also demonstrate how the writers themselves and their books and are also a part of that tradition Most of all however these writers are supremely aware that they are artists and that they have a particular responsibility to their art Never Better! Miriam Udel,2016-04-18 A fascinating study of the picaresque protagonists of Yiddish literature and their minority authors *The Presence of the Therapist* Monica Lanyado,2004-06-02 The Presence of the Therapist uses clinical studies based on the author's publications over the past 18 years to illustrate work with severely distressed children The reader is encouraged to enter a dialogue with the author to explore the many dilemmas and difficulties of working with a person who has become highly defensive or fearful as a result of what has happened to them This book is a highly stimulating account of psychotherapeutic practice It facilitates careful and broad thought about the therapeutic process and relationship that will improve clinical practice The practical advice on how to survive in this demanding work will be of great benefit to all psychotherapists **The Routledge Encyclopedia of Jewish Writers of the Twentieth Century** Sorrel Kerbel,2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading *Congress Monthly*,1995

Teaching Jewish American Literature Roberta Rosenberg,Rachel Rubinstein,2020-04-01 Offers pedagogical techniques for teaching Jewish American fiction poetry drama graphic novels children's literature and digital texts including considerations of religious and secular Jewish culture race and multicultural contexts immigration the Holocaust gender and sexuality multilingual literary traditions and humor Gives syllabus suggestions for undergraduate and graduate courses

Modern Spoken Persian in Contemporary Iranian Novels Katarzyna Wąsala,2024-10-07 One of the characteristic features of the linguistic situation of contemporary Iran is the coexistence of two standards of Modern Persian the written and the spoken While literature is generally composed in the written variety the typically spoken forms are also to be found in the literary text Modern spoken Persian in Contemporary Iranian Novels is a study of these A scrupulous analysis of five carefully selected novels with methods drawing mostly from the register analysis seeks answers to questions such as what features are characteristic to the spoken variety of language how are they woven into the literary language does the

relationship between spoken and written registers change over time and how can this process affect the future development of Persian language

Translating Israel Alan L. Mintz, 2001-06-01 Reflects the rise of literature in modern day Israel and the problematic reception of literature in America and within the American Jewish community Israeli literature provides a unique lens for viewing the inner dynamics of this small but critically important society In addition its leading writers such as S Y Agnon Yehuda Amichai Amos Oz and A B Yehoshua among others are recognized internationally as major world literary figures Despite this international recognition the rich literary tradition of Israeli literature has failed to reverberate and find significant readership or a following in America even among the American Jewish community Alan L Mintz traces the reception of Israeli literature in America from the 1970s to the present He analyzes the influences that have shaped modern Israeli literature and reflects on the cultural differences that have impeded American and American Jewish appreciation of Israeli authors Mintz then turns his attention to specific writers examining their reception or lack thereof in America and places them within the emerging unfolding critical dialogue between the Israeli and American literary culture

Decoding **Of Intimate Grammar A Novel**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
