### The Conquest

A common worry regarding the book, and a shocking realization for those who read it for the first time, are the commands to Israel to kill all inhabitants of the land, including women and children. God is serious about sin and its consequences. In this case, the Israelites were God's tool for punishing sin in the land. This war was no more cruel than any other at the time. As we find in the book of Judges, not all Canaanites were killed, since we find many of them living in the land. Most likely, women and children had fled to the woods to safety, something they were likely used to doing, since the region experienced much war.

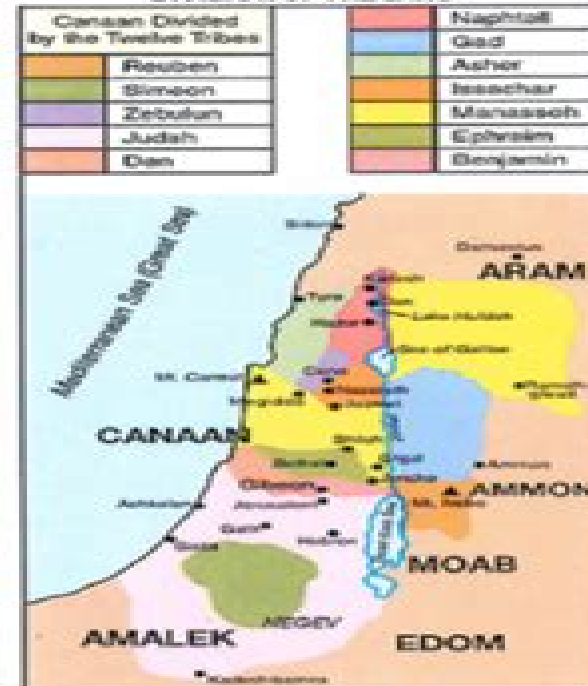

hospitality to Israel's spies, demonstrated amazing faith in God, and became part of God's covenant people. She is listed as one of Jesus' ancestors in his genealogy (Matt. 1:5).

**Achan** – His disobedience—he took plunder from the battlefield when Israel had been instructed to not take anything—caused Israel to lose an important battle against Ai. He was stoned to death as punishment (Josh. 7).

**Eleazar** – Son of Aaron, he took over the high priest's duties after Aaron had passed away (see Ex. 6:23; Num. 20:28). He helped Joshua leading Israel into the Promised Land.

**Phinehas** – Son of Eleazar, the high priest, and priest of Israel. His intervention to prevent the Israelites from polluting themselves and his zeal for God's covenant granted him a special covenant with God. He and his descendants would be priest of Israel forever (Josh. 22:13, 32–34; 24:33).

Audirsch,2014-08-12 The centralization of the cult mandate in Deuteronomy has captivated scholars for over two centuries Related to this mandate are five legislative themes abrogation of idolatry tithing the Israelite festival calendar judiciary officials and the priesthood Collectively these themes are interwoven into the Deuteronomic social political and religious infrastructure Interpreted through an exilic lens this study examines the themes through the relevant literary strata in the Enneateuch In doing so the themes are identified as playing an instrumental role in the demise of the divided monarchy It is through the demise of the

divided monarchy that the book of Deuteronomy especially the centralization mandate takes on a new meaning a utopian desire Thus the rhetorical strategy of centralization once contrived to unify and purify the cult actually leads to failure and serves as motivation for reform during the exilic period
