Avatar: The Last Airbender and Philosophy Helen De Cruz,Johan De Smedt,2022-12-01 Would our world be a better place if some of us were benders Can Katara repair the world through care Is Toph a disability pride icon What does it mean for Zuko to be bad at being good Can we tell whether uncle Iroh is a fool or a sage The world is out of sorts The four nations Water Earth Fire and Air are imbalanced because of the unrelenting conquest of the Fire Nation The only one who can restore balance to the world is the Avatar On the face of it *Avatar The Last Airbender* is a story about a lone superhero However saving the world is a team effort embodied in Team Avatar aka the Gaang Aang needs help from his friends and tutors even from non human animals Through the teachings of Guru Pathik and Huu he comes to realize that though the world and its nations seem separate we are all one people We all have the same roots and we are all branches of the same

tree Avatar The Last Airbender and Philosophy brings to the fore the Eastern Western and Indigenous philosophies that are implicit in the show Following Uncle Iroh's advice that it is important to draw wisdom from many traditions this volume features contributions by experts on Buddhist Daoist Confucian and Indigenous schools of thought next to focusing on Western classical authors such as Plotinus Kant and Merleau Ponty The volume is also unique in drawing on less common traditions such as black abolitionism anarchism and the philosophy of martial arts Intertwining experience and reflection ATLA and Philosophy helps readers to deeply engage with today's burning questions such as how to deal with ecological destruction the aftermath of colonialism and genocide and wealth inequality using the tools from a wide range of philosophical traditions

Last and First Men (Sci-Fi Novel) Olaf Stapledon, 2021-05-07 Last and First Men is a future history science fiction novel describing the history of humanity from the present onwards across two billion years and eighteen distinct human species of which our own is the first Conception of history follows a repetitive cycle with many varied civilizations rising from and descending back into savagery over millions of years as the later civilizations rise to far greater heights than the first It is an early example of the fictional supermind a consciousness composed of many telepathically linked individuals

The Last Ferry Home LaVonne Chastain, 2021-08-03 A true life story that may sound a bit familiar to the baby boomer generation Spanning the years from the 50s to the modern times of today from childhood antics to the angst and perils of teenage hood and then the highs and lows of marriage giving birth divorce Beyond those years follow an assortment of the amusing and amazing the joyful and the miraculous and the disappointment and sorrow of a not too normal life It all began in a tiny northern town in America transcending six decades and several foreign countries A chance to start over a second marriage one worth waiting for new man new country new customs amongst castles and moors and mysticism along with quirkiness oddities and whimsy A lifelong search for identity and answers needle in a haystack style A quest to find a recognizable face a name a place feeling nonexistent at times like a ghost I'm here but I'm not really here A discovery of human nature to belong to someone days and moments that will never be forgotten and the chance to live another day as a result of finding the truth Another whole family like figures in a wax museum suddenly and finally come to life A song with a beautiful melody and words beckoning from far across the ocean simultaneously haunting and pleasing the personal anthem that sometimes shadowed and other times led to the final destination of knowing I shouldn't have even made it Everyone else is dead Not me I was meant to live And this is my story
