Scrapbook of My Years as a Zealot (Large Print 16pt) Nicole Markotic, 2010-06 In boomtown Western Canada a quirky young woman grows up amid a family dynamic that leaves her feeling misunderstood and left out She s a child of immigrants from war torn Germany and Croatia parents who cling to vestiges of a traumatic past th The 1920 Edition of the Book of Mormon Richard L. Saunders, 2022-01-25 Members of The Church of Jesus Christ of Latter day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith the Book of Mormon That is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration In the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the Book of Mormon is a mortal reality The Book of Mormon while it has a spirit also has a mortal body or rather bodies existing in space and time As such it has a history and because it comes to us in the form of a book it also has a book history This study is divided into three parts The first part is a straightforward history of the edition s editing production and manufacturing processes It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III together resolve once and for all the question of what constitutes the 1920 edition and what does not Book of Mormon Critical Text, 3rd ed., vol 1: I Nephi - Words of Mormon Robert F.
