Of Psalms 1 Psalms 1 41:

Psalms John Goldingay, 2006-11 The first of a three volume commentary on the book of Psalms in the Baker Commentary on the Old Testament Wisdom and Psalms series Abingdon Old Testament Commentaries | Psalms 1-72 Richard J. Clifford, 2002 This commentary helps a modern pray er of the psalms to understand the connections of each psalm to the rest of the Bible and to discern how the great theological themes of covenant divine mercy and justice and human response play out through the psalms in prayer **Abingdon Old Testament Commentaries: Psalms 1-72** Dr. Richard J. Clifford, 2002-12-01 Clifford differs from other commentators on the Psalms chiefly in his concern with the inner dramatic logic of the Psalms how they organize the experience and desires of the pray er and bring them to a proper conclusion His primary concern is to help readers see the pattern and progression within the Psalms while at the same time attending to the richness of their words and the texture of their imagery Psalms 1-44 Abraham Kuruvilla, 2024-03-04 This three volume commentary on the Psalms engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the psalms in the Psalter to craft effective sermons It unpacks the crucial link between Scripture and application the theology of each preaching text psalm what the author is doing with what he is saying in each psalm is explored and explicated While the primary goal of the commentary is to take the preacher from text to theology it also provides a sermon outline for each of the preaching units in the Psalms The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching from the Psalter with an emphasis on application **Exalting Jesus in Psalms 1-50** J. Josh Smith, Daniel L. Akin, 2022-07-15 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible **The Basics of Hebrew Poetry** Samuel T. S. Goh, 2017-10-12 Almost 75 percent of the Old Testament is made up of poetic passages yet for many readers lay Christians even seminary students and pastors biblical poetic passages remain the greatest challenge Being unfamiliar with poetry in general and biblical poetry in particular their reading and preaching are limited to selected poetic passages This in turn limits their understanding of God s word To help readers overcome these problems the first four chapters of this book aim to get them familiarized with the literary techniques of biblical poets To demonstrate how the techniques work to bring across the biblical theological message the last three chapters offer poetic analyses of three passages of different kinds In the process we hope to draw attention to the beauty of the Hebrew poetic art and to the creative skill of biblical poets versification The ultimate aim however is to help readers discover the rich message of the Bible **NIV, New Spirit-Filled Life Bible** Thomas Nelson, 2014-05-13 Find the Holy Spirit throughout the Bible Jack Hayford founding pastor of The Church on the Way has led a team of anointed scholars to produce the New Spirit Filled Life Bible This outstanding resource offers a fresh look at the Scriptures and the work of the Holy Spirit This Bible addresses important issues of Spirit filled living in the context of solid biblical scholarship Features include Kingdom Dynamics 41
