Bonds of Belonging Donald F. LaSuer, L. Ray Sells, 1986-10-01 *Books in Print*, 1977 Subject Guide to Books in Print, 1975 **Forthcoming Books** Rose Arny, 1987 Kinship in the Household of God Cynthia Tam, 2021-10-07 This unique volume contributes a profound autism perspective to the ongoing discussion of belonging in the church By taking readers into two church communities the author explores the issues of belonging from those least welcomed by the church and consider what the church should do differently Adopting a we approach she emphasizes the unity of different members in Christ As one body in Christ all believers share Christ s sonship and become children of God The household concept invites readers to reconceptualize Christian relationships as covenantal kinship The kinship relationship is established by God s covenantal commitment fulfilled in Christ With or without autism any person who obeys God s summons is incorporated into Christ s body by the Spirit to become God s child Believers are thus siblings to one another Viewing each person this way enables us to see beyond human differences and welcome one another as God s gifts and indispensable members of the community **Paperbound Books in Print**, 1992 *The Word We Celebrate* Patricia Datchuck Sanchez, 1989 Accessible background and insights on each scripture text in the three year Sunday lectionary cycle An invaluable resource for preachers lectors liturgical musicians catechists and more *Disciples Together* Walton Roger, 2015-04-21 Discipleship is one of the key words used in the churches today and there are many initiatives in the mainstream churches to enable people to grow as disciples of Christ **Discipleship Path** Quincy Brown, 2020-02-20 The church s mission is to make disciples and teach them to obey everything Jesus taught The Bible commands us to make disciples but does not give us a cookie cutter approach on how to do it Discipleship Path is designed the help churches to discern dream and dream next step practices for discipleship For purposes of this work a disciple is a person who gives attention to God s presence through participating in corporate worship serves inside and outside the church walls grows through prayer by investing their time talents and financial gifts to demonstrate a faithful witness to others of what it means to follow Jesus As a District Superintendent Dr Brown has worked with many churches to help them address the challenges of discipleship church decline and attendance plateau In Discipleship Path he addresses five common questions from local congregations Isn t discipleship and membership the same thing What is a disciple culture and how do we create one Are there classes involved and how long does it take What do we have to change Will the process fit our church s context and culture Dr Brown has collapsed these five questions into one overarching question that guides in helping churches with discipleship What are the next steps to get churches to move from program to pathways that help people to practice the marks of discipleship Presence Service Prayers Gifts and Witness For a church to change its trajectory from plateauing and declining it must have a discipleship strategy that moves away from multiple programs to a pathway of next steps for people to become disciples The first century Jewish world of Jesus influences this shift of emphasis from program to path Connecting to Christ Ray E.
