Bone Of Contention:

A Bone of Contention Susanna Gregory, 2008 Cambridge 1392 Matthew Bartholomew physician to Michaelhouse College is called to examine some mysterious bones found in the King's Ditch The next day he is called to the Ditch again a student has been found dead there Meanwhile it seems Dominica former lover of the dead student has disappeared Are these events connected Then a skeletal hand is found in the Ditch hailed by townsfolk as the final remains of local martyr Simon d Ambrey and hence a holy relic When Bartholomew finds that the hand is wearing a ring apparently identical to a pair worn by Dominica and her ex lover he knows that his investigative skills are called for

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious

Body Language from Head to Toe Per-Olof Hasselgren, 2015-08-20 Written by a physician Body Language from Head to Toe is a dictionary of American idioms and other expressions that contain the name of a body part The use of body part related expressions is both interesting and fun This book contains about 2 000 such idioms words and expressions such as with the back against the wall brainstorming sweet tooth and tongue in cheek Says author Per Olof Hasselgren As a surgeon I understand the importance of anatomy and the knowledge of organs and tissues This book reflects my longstanding interest in idioms and other expressions referring to body parts and it connects anatomy with the spoken and written language This book was written for three main reasons First anatomy matters particularly in surgery During the last several years collecting such expressions became a hobby for the author Second as someone moving to this country from another part of the world Dr Hasselgren is interested in the peculiarities of the American language Idioms slang and other expressions are specific for any given language and quite often cannot be directly translated Third when one starts to be aware of them written and spoken body language can become quite entertaining
