

Figure 159.

Another trunk form is the twisted trunk called NEJI-KAN or NEJIRE-KAN. This is another collected California juniper.

Figure 160.

It is hard to determine what caused this tree to become so twisted. Did it come about naturally or was it whipped by the ever-blowing wind. Most of the junipers found in that area were twisted counter clockwise. (See Fig. 161.)

Collected by Katsuya Kamei—California.

Mettler,2018-06 Japan s official surrender to the United States in 1945 brought to an end one of the most bitter and brutal military conflicts of the twentieth century U S government officials then faced the task of transforming Japan from enemy to ally not only in top level diplomatic relations but also in the minds of the American public Only ten years after World War II this transformation became a success as middle class American consumers across the country were embracing Japanese architecture films hobbies philosophy and religion Cultural institutions on both sides of the Pacific along with American tastemakers promoted a new image of Japan in keeping with State Department goals Focusing on traditions instead of modern realities Americans came to view Japan as a nation that was sophisticated and beautiful yet locked harmlessly in a timeless Oriental past What ultimately led many Americans to embrace Japanese culture was a desire to appear affluent and

properly tasteful in the status conscious suburbs of the 1950s In *How to Reach Japan* by Subway Meghan Warner Mettler studies the shibui phenomenon in which middle class American consumers embraced Japanese culture while still exoticizing this new aesthetic By examining shibui through the popularity of samurai movies ikebana flower arrangement bonsai cultivation home and garden design and Zen Buddhism Mettler provides a new context and perspective for understanding how Americans encountered a foreign nation in their everyday lives *Cultivating Elegance* Barrett
