Bony and the Black Virgin Arthur William UPFIELD, 1965 *Bony and the Black Virgin* Arthur Upfield, 1972 ***Investigating Arthur Upfield*** Carol Hetherington, Kees de Hoog, 2011-10-18 Arthur Upfield created Detective Inspector Napoleon Bonaparte Bony who features in twenty nine novels written from the 1920s to the the 1960s mostly set in the Australian Outback He was the first Australian professional writer of crime detection novels Upfield arrived in Australia from England on 4 November 1911 and this collection of twenty two critical essays by academics and scholars has been published to celebrate the centenary of his arrival The essays were all written after Upfield s death in 1964 and provide a wide range of responses to his fiction The contributors from Australia Europe and the United States include journalist Pamela Ruskin who was Upfield s agent for fifteen years anthropologists literary scholars pioneers in the academic study of popular culture such as John G Cawelti and Ray B Browne and novelists Tony Hillerman and Mudrooroo whose own works have been inspired by Upfield s The collection sheds light on the extent and nature of critical responses to Upfield over time demonstrates the type of recognition he has received and highlights the way in which different preoccupations and critical trends have dealt with his work The essays provide the basis for an assessment of Upfield s place not only in the international annals of crime fiction but also in the literary and cultural history of Australia **BONY AND THE BLACK VIRGIN. ARTHUR UPFIELD.** Arthur W. Upfield, 1959 *Winds of Evil* Arthur W. Upfield, 2020-06-01 When Bonaparte sets out to investigate two bizarre murders near the dusty little outback town of Carie all the odds are against him The crimes were committed a year before the scent cold and any clues that may have survived have been confused by a ham fisted city

policeman As Bony follows the trail he is first threatened and then attacked by the mysterious murderer It s a case that will tax his ingenuity to the limit if he lives to see it through Excellent set up for a story good cast of characters perplexing confusion of suspects and perceptive unravelling of tangled threads Kirkus Review **Bushranger of the Skies** Arthur W. Upfield,2020-06-01 An extraordinary case for Detective Inspector Napoleon Bonaparte opens when a police car is bombed from the air on a lonely outback road by a mysterious pilot who plans to conquer a nation The trail through the land of burning waters tests Bony s endurance to the limit and takes the detective as close to death as he has ever been Welcome to Central Australia This is surely one of Upfield s strongest books It is filled with various kinds of symbolism of religion of clothes v nakedness of action of the fruits of love of white for aboriginal Throughout the prose is rich resonant compelling In this book are passages which are as rapid graphic and enspiriting as in any other book from The Spirit of Australia by Ray Browne *Man of Two Tribes* Arthur W. Upfield,2020-06-01 Myra Thomas apparently dressed only in nightgown and slippers has walked off the train somewhere along the 650 kilometres of track that crosses the Nullarbor Plain With two camels and a dog Bony begins to search the desert in search of her He finds more than he bargains for only to find a group of people imprisoned in the extensive limestone caves beneath the desert plain This is surely one of the two or three strongest of Upfield s novels It is an eerie mixture of Aboriginal folk customs and white man s greed and lust for revenge Something of a study of abnormal psychology it nevertheless turns on people s very natural and nasty feelings This book is a splendid combination of plot setting and development from The Spirit of Australia by Ray Browne **An Author Bites the Dust** Arthur W. Upfield,2020-06-01 A cat a ping pong ball a drunken gardener With these slight clues to go on Detective Inspector Bonaparte investigates the mysterious death of famous author Mervyn Blake who dies an agonising death late one night in his writing room But how did he die No one knows No one that is until Bony s acute observation of human nature uncovers the murderer and the method used to kill Blake One of the few Bonaparte mysteries not set in the outback reveals Upfield at his best and most ingenious Napoleon Bonaparte my best detective Daily Express **The New Shoe** Arthur W. Upfield,2020-06-01 The nude body of a man is discovered entombed in the walls of Split Point Lighthouse on the south east coast of Australia Inspector Bonaparte wonders why a coffin is moved at night who was the girl struggling with Dick Lake on the cliff tops and what caused the Bully Buccaneers to deal in death An ordinary policeman could afford to fail but Bony never The story takes place at Split Point 80 miles between Anglesea and Lorne The story is enlivened and made more stark by contrast by a series of Dickensian characters who are unexcelled in Upfield and perhaps elsewhere as well Despite the solemnity of the occasion for the visit Upfield maintains a kind of corpse like humour which is very amusing The whole book is first class Upfield and first class crime fiction from The Spirit of Australia by Ray Browne **Death of a Swagman** Arthur W. Upfield,2020-06-01 A cypher that looked like a child s game of noughts and crosses a strip of hessian bag the rhythmic clanging sound of the turning windmill suddenly breaking the silence of the night the minister who seemed out of place as a

churchman these were some of the more puzzling aspects of the case of the murdered swagman noticed by the keen eyes of Robert Burns alias Detective Inspector Napoleon Bonaparte alias Bony Our distinctive student of violence arrives incognito at Merino in western New South Wales and as a first move provokes the local sergeant to lock him up The method in Bony's madness is that while serving a semi detention sentence and being made to paint the police station he wears the best of all disguises Here again is a first rate Upfield mystery made warm by humour by the background characters and his portrayal of the natural background scene The Age Upfield at his best Adelaide News *Arthur W. Upfield* A. J. Milnor, 2009-03-26 Both Australia and Arthur W Upfield 1890 1964 matured together At the start of the last century Upfield emigrated to Australia as that nation was gaining independence and identity The Gallipoli campaign changed both and both spent the next decades in pursuit of identity he wandering Australia finding its own unique place among nations Arthur W Upfield lived a life many might envy unsuccessful student immigrant 1911 walker horse breaker and camel driver soldier Bushman fence rider journalist intelligence officer explorer novelist swordfisherman and creator of bi racial Detective Inspector Napoleon Bonaparte Bony in novels rivaling the popularity of Sherlock Holmes Caught between two worlds like his fictional character Upfield was thoroughly English and yet also an Australian nationalist describing Outback Australia to the world through his part Aboriginal character Famous novelists including Tony Hillerman and Stan Jones to name only two found a detective model in Bony Australia developed quickly after the Second World War and Upfield too was successful after years of tea chops and damper chasing rabbit roo and dog As Australia developed Upfield's Bush his Australia Proper slowly succumbed to modernization After the war Upfield left the Bush to become a successful writer eventually to be published in a wide range of languages and selling books in the millions of copies The biography relies on letters papers and public documents of the period in Australia England and America many unexplored before now in order to understand the story of his life and that of his true homeland Australia The Spirit of Australia Ray Broadus Browne, 1988 In the world of crime fiction Arthur W Upfield stands among the giants His detective inspector Napoleon Bonaparte is one of the most memorable of all crime fighters Upfield was an independent fiercely self assertive ex Britisher who loved Australia especially the Outback In many ways Upfield became Outback Australia the Spirit of Australia *A Checklist of Arthur Upfield* Christopher P. Stephens, 1992 Twentieth Century Crime & Mystery Writers NA NA, 2015-12-25 **Paperback Quarterly (Vol. 3 No. 2) Summer 1980** Kelly Freas, 2010-09-01 Paperback Quarterly Journal of Mass Market Paperback History Volume 3 Number 2 Summer 1980 contains Too Much Bony by M C Hill Interview with Kelly Freas Repairing Paperbacks by Nicholas Willmott and Interior Paperback Art by Mark Schaffer *Beyond the Mirage* Arthur W. Upfield, 2020-04-24 To observe a ridge of sandhills was to wonder what lay beyond them Perhaps it was the sense of freedom both physically and spiritually the knowledge that should I want to look beyond the sandhills and peer beyond the mirage there was nothing but my two legs and a water bag to prevent me As thousands did before me and as men are still doing in these days I asked for my cheque
