gastronomy along the way **Creep** Myriam Gurba,2024-09-03 A ruthless and razor sharp essay collection that tackles the pervasive creeping oppression and toxicity that has wormed its way into society in our books schools and homes as well as the systems that perpetuate them from the acclaimed author of Mean and one of our fiercest foremost explorers of intersectional Latinx identity Publisher s website Gurba s essay collection tackles the pervasive creeping oppression and toxicity that has wormed its way into society As a fierce explorer of intersectional Latinx identity she maps oppression not as an act but as an environment it is in our books schools and homes creating a complex ecosystem where the culprits accomplishes and victims assume different forms depending on who gets to speak and who is listening Gurba shows how the systems tacit rules and institutions allow this creep culture to grow and thrive adapted from jacket **The Legend of Mighty Mabel** Vance Avis,2011-08-03 In the distance the ominous rumblings of thunder can be heard while a dark drizzle begins to fall on a dreary summer afternoon that makes no sunny pretenses about what is coming Albert is at Professor Charles house for a high energy physics lesson when a friend bearing a high energy piece of bad news bursts through the doorway The news relates to the murder of a dear friend a week ago and what Albert saw on that foggy night There was a ghostly figure wielding a sword in a rowboat near the scene of the riverbank killing Prof Charles quickly states Albert there is a sword in a diabolically haunted mansion not far from here The mansion was owned by a rich man who was so sinister that many considered him to be the Devil incarnate and he was referred to as The Sovereign of Sin Upon his death several morbidly evil spirits hastily escaped to various rooms of the mansion In one of those rooms is a knight with a sword But the mansion is confusing in its construction and those brave enough to have entered it while being stalked by rattling chains cannot agree on where the room is Albert s girlfriend Molly has just arrived Molly s mother Mabel is a revered teacher and she often helps Albert by telling him her Lessons of Life Sometimes ideas that have become part of our entrenched assumptions need to be looked at again Reexamine all your assumptions even those you find irrefutable and relook at clues you have been unable to fit into any assumption Perhaps that will lead you in new directions The news of a sword accessible to the murderer gives Albert and Molly a new clue to follow Molly considers finding the killer their higher calling and Albert follows clues with the enthusiasm and perspicacity of Sherlock Holmes They start their journey with trepidation The densely tree surrounded path to the haunted mansion begins surreally serene given that its destination is the home of The Sovereign of Sin Only the storm clouds and the heavy mist add a subtle version of reality which precedes the more demanding version that occurs when a huge lightning strike hits nearby The closer Albert and Molly get to the haunted mansion the more the path takes on the threatening encompassment of their goal The trees and thick overgrowth turn into strangely evil forms as they become darkly shadowed and more impenetrable and the sky fills with ghost shaped black rain clouds that close in on Molly and Albert and move and morph and forebode the fast approaching ill omened night Then another massive lightning strike with its bone rattling thunder shakes Molly and Albert s nerves raw Did you see that exclaims Albert terrifyingly as he

points up to a spot in one of the trees ahead of them See what asks Molly worriedly During the lightning up in that tree I saw something staring at us anxiously responds Albert It was the form of a ghost which looked to me like one of the morbidly wicked spirits that The Sovereign of Sin turned into upon his death As they slowly walk past the tree each stares up at the spot then another lightning flash occurs and instantaneously both their expressions turn ghostly fear stricken They run past the tree Albert exclaims So you saw The Sovereign of Sin s malevolent spirit No cries Molly I saw the Grim Reaper reaching out to grab me Great ghouls declares Albert Aren t we two with our spine chilling imaginations going to have fun in the haunted mansion Albert and Molly have many grand adventures in store for them as they follow clues to a killer lurking near the rich waters of the grand ol river and its lush surrounding forest The Legend of Mighty Mabel is the story of a summer of wonderful joy great adventures scary fun fun for the sake of fun and a bit of romance And it is the story of the bravery the love and the Lessons of Life of Mighty Mabel *New complete dictionary of the English and Dutch languages* Isaac Marcus Calisch,1890 **The War Is Over** Mike Heintzeman,Dianne Heintzeman,2011 The man was on a mission and someone was going to get some news Each person in the little cluster braced themselves in their own way the message was for one of them As the runner came around the last descending bend on Jordan s west bank they could identify him as Benjamin from the house of Heis twenty seven miles away near Bethany Benjamin is used to delivering messages and in this case he has been hired by two sisters to find Jesus and deliver their message that Lazarus is sick But when Jesus sends him back with a return message everyone including Benjamin is surprised Why would Jesus wait three days to come when the situation is so dire The answer is in the miraculous raising of Lazarus after being four days dead But his living proof of Jesus s divinity sparks an evil plot by the Pharisees to do away with not only Lazarus but Jesus himself and soon Lazarus and his whole family must embark on a journey they never anticipated They will meet inspiring characters learn of Jesus s love and provision and discover the ultimate truths of life Join author Mike and Dianne Heintzeman for an incredible odyssey of faith hope and love in Stonehouse The War is Over Lydia John Shebbeare,1763 **Scared Witless** Mitch Weiss,2006 A collection of folktales primarily from the United States as well as one adaptation and two original stories each followed by tips for novice storytellers

Guyana Legends Odeen Ishmael,2011-08-30 Guyana Legends Folk Tales of the Indigenous Amerindians By Odeen Ishmael G uyana Legends Folk Tales of the Indigenous Amerindians is a collection of fifty folk tales of the first people to inhabit Guyana and the contiguous regions of the north coast of the South American continent Very little is known of Amerindian history in Guyana before the arrival of European settlers in the early seventeenth century and actually no written form of their languages existed until about seventy years ago Indeed much of the history of the Amerindians people is based on oral traditions which are not quite clear because the periods when important events occurred are difficult to place Still native oral traditions are very rich in folk stories of the ancestral heroes and heroines of these indigenous people Some of these folk stories have varying versions among the nine different language groups or tribes that comprise the Amerindian

population of Guyana Such a difference is illustrated in this book which presents two different tales of how fire was acquired and various versions of the legend of two immortal folk heroes the bothers Makonaima and Pia This present collection of Amerindian legends was compiled over a lengthy period of many years during which I listened to and collected versions of these tales from elderly Amerindians in various regions of Guyana and more recently from Amerindian residents of the Delta Amacuro region of Venezuela on the frontier with Guyana Significantly most of these legends were also summarised since the late nineteenth century by a succession of writers including Everard F im Thurn W H Brett Walter Roth and Leonard Lambert But it is significant to note that those versions by no means original which were related by those writers of the nineteenth and early twentieth centuries have undergone some changes with the passing years and new characters have been added to them Since Amerindians of the North West District of Guyana are ethnologically and culturally related to those in the eastern regions of Venezuela particularly the Delta Amacuro region it is noteworthy that the myths and legends of those Venezuelan Amerindians bear close similarities to those of their Guyanese counterparts Interestingly the Guajiro people Amerindians of Arawak background living in north west Venezuela near to Lake Maracaibo also have some folk tales that closely resemble those of their relatives living in the North West District of Guyana and the Delta Amacuro region of Venezuela For further information the writings of Venezuelan researchers Cesar o de Armellada Maria Manuela de Cora and Michel Perrin are recommended It is essential to note too that an important character in Amerindian legend is Tiger While there are a number of tigers in the stories and generally they are all villains these animals however are not part of the fauna in Guyana or the entire American continent What is generally referred to as a tiger is the large spotted jaguar And the black tiger mentioned in one of the stories in this book is the large South American puma Twenty of the folk tales included in this collection appear in my earlier book Amerindian Legends of Guyana published in 1995 However they have now been revised and in some cases retitled Among the thirty other stories are those of two clever tricksters in Amerindian folklore the lazy but sly Konehu and the wily rabbit Koneso Readers will find these legends of the original inhabitants of Guyana informative in the anthropological sense in addition to being interesting and entertaining at the same time
