Martin,1984 **50 Great American Places** Brent D. Glass,2016-03-15 Profiles fifty sites across the United States that trace the cultural history of the country discussing the people and events that led to each site s importance from the National Mall in D C to Pearl Harbor in Hawaii The Great American Disruption Scott Aiken Mason,2025-01-07 Unless we pause to consider the implications we risk being swept away by the current of popular culture where conformity is the coin of the realm and free speech is controlled by the media We can do better than this America is in trouble Bad decisions have brought us here It s tempting to pass off our discontent as merely two disturbing presidential election cycles But the truth runs much deeper than that Progressive overreach now permeates virtually every aspect of American culture Everything is political The divide is no longer as simple as Coke vs Pepsi it extends to all manner of things even where we live If the current mass exodus continues and we continue to retire to our respective corners the democratic experiment that is America could well be over Few people have captured the Nation s pulse so accurately Some examples To say the current situation is complicated is an understatement Most illnesses are It has taken years to gain some clarity in understanding the general chaos that is now being experienced in American Society what

we call The Great American Disruption The litany of misguided views in America today has reached a dangerous threshold Life is about choices this fundamental element of life called choices is something that is often overlooked by many many people especially at critical times in our life journey Balancing the emotional brain with the rational brain is a lifetime pursuit for humans Failure to address this issue border security in a more controlled vision of the future role of immigration not only diminishes what it means to be an American it also represents the greatest security threat this country has ever experienced Challenging The Great American Disruption requires a greater disruption based on critical thinking and strategy Reasoned discourse becomes a fundamental requirement for the survival of our democracy We must fight The Great American Disruption by finding ways to develop tools of critical thinking that allow us to become more strategic in our thoughts and deeds if we are to lift ourselves out of the chaos that is bringing America down and brainwashing our kids For the first time in America s history six generations of citizens will occupy this earth simultaneously We d best figure out how to get along
